1. Purpose / situation

This paper presents the organisation's corporate risks highlighting any significant updates that may require further discussion and any proposals for the escalation/de-escalation of risks from or onto the Corporate Risk Register. The Corporate Risk Register details the highest-level operational risks that are being managed on a day-to-day basis by relevant Directorate Senior Leadership Teams and their associated Executives. Leadership Team consideration provides assurance to the relevant Committees and the Board that corporate risks are being effectively identified and managed.

2. Background

The Corporate Risk Register is submitted to the Knowledge, Research and Information Committee to ensure compliance with the organisation's Risk policy and procedure.

3. Description/Assessment

The following significant points have been noted to support the consideration of the Corporate Risk Register.

New Risk proposed to be accepted onto the Corporate Risk Register

- None

Existing Risk proposed to be escalated onto the Corporate Risk Register

- None

Risk proposed to the de-escalated

- None

Change of ownership of Risk

The risk relating to the potential inability to demonstrate the quality standards and the Duty of Quality are embedded in all aspects of PHW business (ID 1593) has been transfer from the Improvement Cymru arm of the NHS Executive to QNAHP's.

3.1 Well-being of Future Generations (Wales) Act 2015

This work has been put together following the five ways of working, as defined within the sustainable development principle in the Act, in the following ways:

The effective management of corporate risks supports the longevity of the organisation

The effective management of corporate risks reduces the likelihood or consequence of harm being realised.

The identification and management of risks are integrated into decision making activities.

Owners of corporate risks collaborate within their areas and any relevant Directorates to manage risks effectively.

Senior Managers engage with relevant colleagues to ensure staff are empowered to raise risks.

4. Recommendation

The Committee is asked to:

- **Consider** the Corporate Risk Register within the Committee's remit.
- **Take assurance** on the management of Corporate risks within the remit of the Committee.
