"A very helpful and constructive meeting"

[Update](#)

2 respondents (33%) answered **good** for this question.

actions of the Executive
discussion between all attendees
Board
meeting
change and innovation
good practice
attendees which is constructive
appetite for change
excellent scale for feedback
helpful
categories
good constructive
good discussion progressive
Likert scale
committee

it is good practice to use a Likert scale for feedback, instead of 4 categories

The appetite for change and innovation at this Board is excellent, but sometimes seems to not be matched by the actions of the Executive

The committee runs well and there is always good discussion between all attendees which is constructive and progressive.

A very helpful and constructive meeting
