1. Purpose / situation

This report identifies the amendments required to be made to the Standing Orders and Scheme of Reservation and Delegation of Powers, to incorporate the Model Standing Orders issued by Welsh Government on 13 September 2019.

2. Background

The Public Health Wales NHS Trust Standing Orders and Reservation and Delegation of Powers were last reviewed in October 2018.

The Standing Orders (SO’s) and Reservation and Delegation of Powers set out, together with a range of other framework documents, the arrangements within which the Board and the wider organisation makes decisions.

Since the last review in January 2018, Welsh Government have issued revised Model Standing Orders, which the Trust must incorporate and adopt this latest review into its SO’s by 30 November 2019.

They are based on Model Standing Orders designed for NHS Wales and the expectation is that the organisation will adhere to these unless there is a genuine need to deviate. Welsh Government have issued a summary of the changes made and instructions on sections which may be for local resolution and those which are subject to Ministerial Direction or are a legislative requirement.

  - Welsh Health Specialised Services Committee;  
  - Emergency Ambulance Service Committee;

  - Welsh Language (Wales) Measure 2011.                                                                                                          |
| Para 1.1.7       | Previous Standing Orders did not reflect current regulations relating to the composition of the Non-Executive Directors. The wording has been amended to:  
  'A total of 6 (excluding the Chair) appointed by the Minister for Health and Social Services, which will include:  
  ▪ A person who holds a health related post in a university;  
  ▪ A person with experience of local authorities in Wales;  
  ▪ A person who is an employee or member of a voluntary sector organisation with experience of such organisations in Wales; and

| Section 5        | The text has been updated and amended and includes an additional section on support to the advisory Committees. Local Partnership Forum Terms of Reference have been removed from this section and included in a separate Schedule (Schedule 4). |
| Para 6.0.3       | Previous standing orders did not reference the Social Services and Well-being (Wales) Act. There is a new paragraph referring to Social Services and Wellbeing Act in relation to working in partnership. |
The Social Services and Well-Being (Wales) Act 2014 sets out duties for working in partnership with local authorities complementing existing duties under section 82 of the NHS Act 2006 (duty to cooperate with local authorities) and sections 10 (arrangements with other bodies) and 38 (duty to make services available to enable the discharge of local authority functions) of the NHS (Wales) Act 2006. An advice note on partnership working – implications for health boards and NHS Trusts from the Social Services and Well-being (Wales) Act 2014 and the Well-being of Future Generations (Wales) Act 2015 has been published and it can be found here: https://socialcare.wales/cms_assets/hub-downloads/Partnership-working---implications-for-health-boards-and-NHS-Trusts.pdf’

The Model Standing Orders updates the previous version to more accurately reflect the way in which AGMs are arranged. The revised standing orders extends the number of days prior to AGM that the papers must be published. This has been increased from 7 to 10.

'The Trust must hold an AGM in public no later than the 31 July each year. At least 10 calendar days prior to the meeting a public notice of the intention to hold the meeting, the time and place of the meeting, and the agenda, shall be displayed bilingually (in English and Welsh) at the Trust’s principal sites and the Trust’s website. Minimum on the Trusts website.

The notice shall state that:

- Electronic or paper copies of the Annual Report and Accounts of the Trust are available, on request, prior to the meeting; and
- State how copies can be obtained, in what language and in what format, e.g. as Braille, large print, easy read etc. '

Public Health Wales
Standing Orders
and
Reservation and Delegation of Powers
Foreword

These Model Standing Orders are issued by Welsh Ministers to NHS Trusts using powers of direction provided in section 19 (1) of the National Health Service (Wales) Act 2006. National Health Service Trusts (“NHS Trusts”) in Wales must agree Standing Orders (SOs) for the regulation of their proceedings and business. When agreeing SOs Trusts must ensure they are made in accordance with directions as may be issued by Welsh Ministers. They are designed to translate the statutory requirements set out in Public Health Wales National Health Service Trust (Membership and Procedure) Regulations 2009 (2009/1385) as amended] into day to day operating practice, and, together with the adoption of a Schedule of decisions reserved to the Board of directors; a Scheme of decisions to officers and others; and Standing Financial Instructions (SFIs), they provide the regulatory framework for the business conduct of the Trust.

These documents form the basis upon which the Trust’s governance and accountability framework is developed and, together with the adoption of the Trust’s Values and Standards of Behaviour framework (included in the Declarations of interest, gifts, hospitality and sponsorship policy) is designed to ensure the achievement of the standards of good governance set for the NHS in Wales.

All Trust Board members and officers must be made aware of these Standing Orders and, where appropriate, should be familiar with their detailed content. The Trust’s Board Secretary will be able to provide further advice and guidance on any aspect of the Standing Orders or the wider governance arrangements within the Trust. Further information on governance in the NHS in Wales may be accessed at www.wales.nhs.uk/governance-emanual/

SECTION: A – INTRODUCTION

Statutory framework

i) The Public Health Wales National Health Service Trust (“the Trust”) is a statutory body that came into existence on 1st August 2009 under The Public Health Wales National Health Service Trust (Establishment) Order 2009 (S.I. 2009/2058 (W.177)), “the Establishment Order”.

ii) The principal place of business of Public Health Wales NHS Trust (the Trust) is – Floor 3, Number 2 Capital Quarter, Tyndall Street, Cardiff CF10 4BZ.

iii) All business shall be conducted in the name of Public Health Wales or Public Health Wales NHS Trust, and all funds received in trust shall be held in the name of the Trust as a corporate Trustee.

iv) NHS Trusts are corporate bodies and their functions must be carried out in accordance with their statutory powers and duties. Their statutory powers and duties are mainly contained in the NHS (Wales) Act 2006 which is the principal legislation relating to the NHS in Wales. Whilst the NHS Act 2006 applies equivalent legislation to the NHS in England, it also contains some legislation that applies to both England and Wales. The NHS (Wales) Act 2006 and the NHS Act 2006 are a consolidation of the NHS Act 1977 and other health legislation which has now been repealed. The NHS (Wales) Act 2006 contains various powers of the Welsh Ministers to make subordinate legislation and details how NHS Trusts are governed and their functions.
v) Under powers set out in paragraph 4 of Schedule 3 to the NHS (Wales) Act 2006 the Welsh Ministers made **The Public Health Wales National Health Service Trust (Membership and Procedure) Regulations 2009 (S.I. 2009/1385)**, as amended (“the Membership Regulations”) which set out the membership and procedural arrangements for the Trust.

vi) Sections 18 and 19 of and Schedule 3 to the NHS (Wales) Act 2006 provide for Welsh Ministers to confer functions on NHS Trusts and to give Directions about how they exercise those functions. NHS Trusts must act in accordance with those Directions. The NHS Trust’s main statutory functions are set out in their Establishment Order but additional functions may also be contained in other legislation, such as the NHS (Wales) Act 2006.

vii) The Well-being of Future Generations (Wales) Act 2015 also places duties on LHBs and some Trusts in Wales. Sustainable development in the context of the Act means the process of improving economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the well-being goals.

viii) In exercising their powers NHS Trusts must be clear about the statutory basis for exercising such powers.

ix) In addition to Directions the Welsh Ministers may from time to time issue guidance which NHS Trusts must take into account when exercising any function.

x) NHS Trusts work closely with the seven Local Health Boards (LHBs) in Wales. The chief executive of the Trust is an associate member of the following joint-committees of the LHBs:

- The Welsh Health Specialised Services Committee, and
- The Emergency Ambulance Service Committee.

xi) The **Welsh Health Specialised Services Committee (Wales) Directions 2009 (2009/35)** provide that the seven LHBs in Wales will work jointly to exercise functions relating to the planning and securing of specialised and tertiary services and for the purpose of jointly exercising those functions will establish the Welsh Health Specialised Services Committee (“WHSSC”). Under powers set out in paragraph 4 of Schedule 2 to the NHS (Wales) Act 2006, the Minister has made **The Welsh Health Specialised Services Committee (Wales) Regulations 2009 (S.I. 2009/3097)** which make provision for the constitution and membership of the WHSSC including its procedures and
administrative arrangements.

xii) The Emergency Ambulance Services Committee (Wales) Directions 2014 (2014/8 (W.08)) as amended by the Emergency Ambulance Services (Wales) Amendment Directions 2016 (2016/8 (W.8)) provide that the seven LHBs in Wales will work jointly to exercise functions relating to the planning and securing of emergency ambulance services and for the purpose of jointly exercising those functions will establish the Emergency Ambulance Services Committee (“EASC”). Under powers set out in paragraph 4 of Schedule 2 to the NHS (Wales) Act 2006, the Minister has made The Emergency Ambulance Services Committee (Wales) Regulations 2014 (2014/566) which make provision for the constitution and membership of the EASC including its procedures and administrative arrangements.

xiii) The Velindre National Health Service Trust Shared Services Committee (Wales) Regulations 2012 (S.I. 2012) require the Trust to establish a Shared Services Committee and prescribe the membership of the Shared Services Committee in order to ensure that all LHBs and Trusts in Wales have a member on the Shared Services Committee and that the views of all the NHS organisations in Wales are taken into account when making decisions in respect of Shared Services activities.

xiv) The National Health Service Bodies and Local Authorities Partnership Arrangements (Wales) Regulation 2000 (S.I. 2000/2993) have effect as made under section 33 of the NHS (Wales) Act 2006 enable LHBs, NHS Trusts and Local Authorities to enter into any partnership arrangements to exercise certain NHS functions and health-related functions as specified in the Regulations. The arrangement can only be made if it is likely to lead to an improvement in the way in which NHS functions and health-related functions are exercised, and the partners have consulted jointly with all affected parties, and the arrangements fulfil the objectives set out in the Area Plan developed in accordance with the Social Services and Well-being (Wales) Act 2014.

xv) Section 72 of the NHS Act 2006 places a duty on NHS bodies to co-operate with each other in exercising their functions. NHS bodies includes NHS bodies in England such as the NHS Commissioning Board, NHS Trust and NHS Foundation Trust and, for the purposes of this duty, also includes bodies such as NICE, the Health and Social Care Information Centre and Health Education England.
xvi) Section 82 of the NHS Act 2006 places a duty on NHS bodies and local authorities to co-operate with one another in order to secure and advance the health and welfare of the people of England and Wales.

xvii) The Welsh Language (Wales) Measure 2011 makes provision with regard to the development of standards of conduct relating to the Welsh Language. These standards replace the requirement for a Welsh Language Scheme previously provided for Section 5 of the Welsh Language Act 1993. The Welsh Language Standards (No.7) Regulations 2018 (2018/411) came into force on the 29 June 2018 and specifies standards in relation to the conduct of NHS Trusts. The Trust will ensure that it has arrangements in place to meet those standards which the Welsh Language Commissioner has required by way of a compliance notice under section 44 of the 2011 Measure.

xviii) Paragraph 18 of Schedule 3 to the NHS (Wales) Act 2006 provides for NHS Trusts to enter into arrangements for the carrying out, on such terms as considered appropriate, of any of its functions jointly with any Strategic Health Authority, Local Health Board or other NHS Trust, or any other body or individual.

xix) NHS Trusts are also bound by any other statutes and legal provisions which govern the way they do business. The powers of NHS Trusts established under statute shall be exercised by NHS Trusts meeting in public session, except as otherwise provided by these SOs.

**NHS framework**

xx) In addition to the statutory requirements set out above, NHS Trusts must carry out all business in a manner that enables them to contribute fully to the achievement of the Welsh Government’s vision for the NHS in Wales and its standards for public service delivery. The governance standards set for the NHS in Wales are based upon the Welsh Government’s Citizen Centred Governance principles. These principles provide the framework for good governance and embody the values and standards of behaviour that are expected at all levels of the service, locally and nationally.

xxi) Adoption of the principles will better equip NHS Trusts to take a balanced, holistic view of their organisations and their capacity to deliver high quality, safe healthcare services for all its citizens within the NHS framework set nationally.

xxii) The overarching NHS governance and accountability framework
incorporates these SOs; the Scheme of Reservation and Delegation of Powers; SFIs together with a range of other frameworks designed to cover specific aspects. These include the NHS Values and Standards of Behaviour Framework*; the ‘Doing Well, Doing Better: Standards for Health Services in Wales’ (formally the Healthcare Standards) Framework, the NHS Risk and Assurance Framework, and the NHS planning and performance management systems.

* The NHS Wales Values and Standards of Behaviour Framework can be accessed via the following link:

xxiii) The Welsh Ministers, reflecting their constitutional obligations, and legal duties under the Well-being of Future Generations (Wales) Act 2015 (2015/2), have stated that sustainable development should be the central organising principle for the public sector and a core objective for the NHS in all it does.

The Trust is considered a public body under the Act.

xxiv) Full, up to date details of the other requirements that fall within the NHS framework – as well as further information on the Welsh Government’s Citizen Centred Governance principles - are provided on the NHS Wales Governance e-manual, which can be accessed at www.wales.nhs.uk/governance-emanual/. Directions or guidance on specific aspects of NHS Trusts business are also issued electronically, usually under cover of a Welsh Health Circular.

NHS Trust Framework

xxv) Schedule 2 provides details of the key documents that, together with these SOs, make up the NHS Trusts governance and accountability framework. These documents must be read in conjunction with these SOs and will have the same effect as if the details within them were incorporated within the SOs themselves. The Standing Financial Instructions form Schedule 2.1 of these SOs.

xxvi) NHS Trusts will from time to time agree and approve Policy statements which apply to the Trust’s Board of directors and/or all or specific groups of staff employed by Public Health Wales NHS Trust and others. The decisions to approve these policies will be recorded and, where appropriate, will also be considered to be an
integral part of the Trust’s SOs and SFIs. *Links to the Trust’s key policy statements are also included in Schedule 2.*

xxvii) NHS Trusts shall ensure that an official is designated to undertake the role of the Board Secretary (the role of which is set out in paragraph xxxv) below).

xxviii) For the purposes of these SOs, the Trust Board of directors shall collectively to be known as “the Board” or “Board members”; the executive and non-executive directors shall be referred to as Executive Directors and Non-Executive Directors respectively; and the Chief Officer and the Chief Finance Officer shall respectively be known as the Chief Executive and the Director of Finance – SO 1.1.2 refers.

**Applying Standing Orders**

xxix) The SOs of NHS Trusts (together with SFIs and the Values and Standards of Behaviour Framework: Declarations of Interest, Gifts, Hospitality and Sponsorship Policy and Procedure will, as far as they are applicable, also apply to meetings of any formal Committees established by the Trust, including any sub-Committees and Advisory Groups. These SOs may be amended or adapted for the Committees as appropriate, with the approval of the Board. *Further details on committees may be found in Schedule 3 of these SOs.*

xxx) Full details of any non-compliance with these SOs, including an explanation of the reasons and circumstances must be reported in the first instance to the Board Secretary, who will ask the Audit and Corporate Governance Committee to formally consider the matter and make proposals to the Board on any action to be taken. All NHS Board members and officers have a duty to report any non-compliance to the Board Secretary as soon as they are aware of any circumstance that has not previously been reported.

xxx) **Ultimately, failure to comply with SOs is a disciplinary matter that could result in an individual’s dismissal from employment or removal from the Board.**

**Variation and amendment of Standing Orders**

xxxii) Although these SOs are subject to regular, annual review by the NHS Trust, there may, exceptionally, be an occasion where it is necessary to vary or amend the SOs during the year. In these circumstances, the Board Secretary shall advise the Board of the
implications of any decision to vary or amend SOs, and such a decision may only be made if:

- The variation or amendment is in accordance with regulation 23 of the Membership Regulations and does not contravene a statutory provision or direction made by the Welsh Ministers;
- The proposed variation or amendment has been considered and approved by the Audit and Corporate Governance Committee and is the subject of a formal report to the Board; and
- A notice of motion under Standing Order 7.5.14 has been given.

**Interpretation**

xxxiii) During any Board meeting where there is doubt as to the applicability or interpretation of the SOs, the Chair of the Trust shall have the final say, provided that his or her decision does not conflict with rights, liabilities or duties as prescribed by law. In doing so, the Chair shall take appropriate advice from the Board Secretary and, where appropriate the Chief Executive or the Director of Finance (in the case of SFIs).

xxxiv) The terms and provisions contained within these SOs aim to reflect those covered within all applicable health legislation. The legislation takes precedence over these SOs when interpreting any term or provision covered by legislation.

**The role of the Board Secretary**

xxxv) The role of the Board Secretary is crucial to the ongoing development and maintenance of a strong governance framework within NHS Trusts, and is a key source of advice and support to the NHS Trust Chair and other Board members. Independent of the Board, the Board Secretary acts as the guardian of good governance within NHS Trusts. The Board Secretary is responsible for:

- providing advice to the Board as a whole and to individual Board members on all aspects of governance;
- facilitating the effective conduct of NHS Trust business through meetings of the Board, its Advisory Groups and Committees;
- ensuring that Board members have the right information to enable them to make informed decisions and fulfil their
responsibilities in accordance with the provisions of these SOs;
- ensuring that in all its dealings, the Board acts fairly, with integrity, and without prejudice or discrimination;
- contributing to the development of an organisational culture that embodies NHS values and standards of behaviour; and
- monitoring the NHS Trusts compliance with the law, SOs and the governance and accountability framework set by the Welsh Ministers.

As advisor to the Board, the Board Secretary’s role does not affect the specific responsibilities of Board members for governing the organisation. The Board Secretary is directly accountable for the conduct of their role to the Chair in respect of matters relating to responsibilities of the Board, its Committees and Advisory Groups, and reports on a day to day basis to the Chief Executive with regard to the wider governance of the organisation and their personal responsibilities.

Further details of the Board Secretary within Public Health Wales NHS Trust, including details on how to contact them, can be found on the Public Health Wales internet website and details of the Board Secretary role more generally is available from the office of the Board Secretary, Public Health Wales. 1.3 Tenure of Board Members

1.3.1 Board members will be determined by their contract of appointment.

1.3.2 All Board members’ tenure of appointment will cease in the event that they no longer meet any of the eligibility requirements, so far as they are applicable, as specified in the Membership Regulations. The Chair will advise the Minister in writing of any such cases immediately.

1.3.3 The Trust will require Board members to confirm in writing their continued eligibility on an annual basis.

1.4 The Role of the Trust, its Board and responsibilities of individual members

Role

1.4.1 The principal role of the Trust is set out in SO 1.0.1. The Board’s main role is to add value to the organisation through the exercise of strong leadership and control, including:

▪ Setting the organisation’s strategic direction
▪ Establishing and upholding the organisation’s governance and accountability framework, including its values and standards of behaviour
- Ensuring delivery of the organisation’s aims and objectives through effective challenge and scrutiny of the Trust’s performance across all areas of activity.

Responsibilities

1.4.2 The Board will function as a corporate decision-making body, Executive Directors and Non-executive Directors being full and equal members and sharing corporate responsibility for all the decisions of the Board.

1.4.3 Non-executive Directors who are appointed to bring a particular perspective, skill or area of expertise to the Board must do so in a balanced manner, ensuring that any opinion expressed is objective and based upon the best interests of the health service. Similarly, Board members must not place an over reliance on those individual members with specialist expertise to cover specific aspects of Board business, and must be prepared to scrutinise and ask questions about any contribution that may be made by that member.

1.4.4 NHS Trusts shall issue an indemnity to any Chair and Independent Member in the following terms: “A Board [or Committee] member, who has acted honestly and in good faith, will not have to meet out of their personal resources any personal liability which is incurred in the execution of their Board function. Such cover excludes the reckless or those who have acted in bad faith”.

1.4.5 All Board members must comply with their terms of appointment. They must equip themselves to fulfil the breadth of their responsibilities by participating in appropriate personal and organisational development programmes, engaging fully in Board activities and promoting the Trust within the communities it serves.

1.4.6 The Chair – The Chair is responsible for the effective operation of the Board, chairing Board meetings when present and ensuring that all Board business is conducted in accordance with these SOs. The Chair may have certain specific powers delegated by the Board and set out in the Scheme of Delegation.

1.4.7 The Chair shall work in close harmony with the Chief Executive and, supported by the Board Secretary, shall ensure that key and appropriate issues are discussed by the Board in a timely manner with all the necessary information and advice being made available to the Board to inform the debate and ultimate resolutions.
1.4.8 **The Vice Chair** – The Vice Chair shall deputise for the Chair in their absence for any reason, and will do so until either the existing chair resumes their duties or a new chair is appointed.

They are the appointed Accountable Officer for the Trust and shall be responsible for meeting all the responsibilities of that role, as set out in their Accountable Officer Memorandum.

1.4.10 **Lead roles for Board members** – The Chair will ensure that individual Board members are designated as lead roles or “champions” as required by the Welsh Ministers or as set out in any statutory or other guidance. Any such role must be clearly defined and must operate in accordance with the requirements set by the Trust, the Welsh Ministers or others. In particular, no operational responsibilities will be placed upon any Independent Member fulfilling such a role. The identification of a Board member in this way shall not make them more vulnerable to individual criticism, nor does it remove the corporate responsibility of the other Board members for that particular aspect of Board business.

**2. RESERVATION AND DELEGATION OF TRUST FUNCTIONS**

2.0.1 Subject to any Directions that may be given by the Welsh Ministers, the Board shall make arrangements for certain functions to be carried out on its behalf so that the day to day business of the Trust may be carried out effectively and in a manner that secures the achievement of its aims and objectives. In doing so, the Board must set out clearly the terms and conditions upon which any delegation is being made.

2.0.2 The Board’s determination of those matters that it will retain, and those that will be delegated to others shall be set out in a:

i. Schedule of matters reserved to the Board;
ii. Scheme of delegation to committees and others; and
iii. Scheme of delegation to officers.

The Trust retains full responsibility for any functions delegated to others to carry out on its behalf. Where Trusts and Local Health Boards have a joint duty the Trust remains fully responsible for its part, and shall agree the governance and assurance
arrangements for the partnership, setting out respective responsibilities, ways of working, accountabilities and sources of assurance of the partner organisations.

2.1 Chair’s action on urgent matters

2.1.1 There may, occasionally, be circumstances where decisions which would normally be made by the Board need to be taken between scheduled meetings, and it is not practicable to call a meeting of the Board. In these circumstances, the Chair and the Chief Executive, supported by the Board Secretary as appropriate, may deal with the matter on behalf of the Board - after first consulting with at least two other Non-executive Directors. The Board Secretary must ensure that any such action is formally recorded and reported to the next meeting of the Board for consideration and ratification.

2.1.2 Chair’s action may not be taken where either the Chair or the Chief Executive has a personal or business interest in an urgent matter requiring decision. In this circumstance, the Vice Chair or the Executive Director acting on behalf of the Chief Executive will take a decision on the urgent matter, as appropriate.

2.2 Delegation of Board functions

2.2.1 The Board may agree the delegation of any of their functions, except for those set out within the ‘Schedule of Matters Reserved for the Board’ within the Model Standing Orders (see paragraph 2.0.2 (i), to Committees and others, setting any conditions and restrictions it considers necessary and in accordance with any directions or regulations given by the Welsh Ministers. These functions may be carried out:

i By a Committee, sub-Committee or officer of the Trust (or of another Trust); or

ii By another LHB; NHS Trust; Strategic Health Authority or Primary Care Trust in England; Special Health Authority; or

iii With one or more bodies including local authorities through a sub-Committee.

2.3.1 The Board may delegate certain functions to the Chief Executive.
For these aspects, the Chief Executive, when compiling the Scheme of Delegation to Officers, shall set out proposals for those functions they will perform personally and shall nominate other officers to undertake the remaining functions. The Chief Executive will still be accountable to the Board for all functions delegated to them irrespective of any further delegation to other officers.

2.3.2 This must be considered and approved by the Board (subject to any amendment agreed during the discussion). The Chief Executive may periodically propose amendments to the Scheme of Delegation to Officers and any such amendments must also be considered and approved by the Board.

2.3.3 Individual Executive Directors are in turn responsible for delegation within their own directorates/departments/localities in accordance with the framework established by the Chief Executive and agreed by the Board.

- Electronic or paper copies of the Annual Report and Accounts of the Trust are available, on request, prior to the meeting; and
- State how copies can be obtained, in what language and in what format, e.g. as Braille, large print, easy read etc.

7.2.6 The AGM must include presentation of the Annual Report and audited accounts, together with (where applicable), an audited abridged version of the annual accounts and funds held on trust accounts, and may also include presentation of other reports of interest to citizens and others, such as the organisation’s annual quality statement.

7.2.7 A record of the meeting shall be submitted to the next ordinary meeting of the Board for agreement.

**7.3 Calling Meetings**

7.3.1 In addition to the planned meetings agreed by the Board, the Chair may call a meeting of the Board at any time. Individual Board members may also request that the Chair call a meeting provided that at least one third of the whole number of Board members, support such a request.

7.3.2 If the Chair does not call a meeting within seven days after receiving such a request from Board members, then those Board members may themselves call a meeting.

**7.4 Preparing for Meetings**
Setting the agenda

7.4.1 The Chair, in consultation with the Chief Executive and Board Secretary, will set the Agenda. In doing so, they will take account of the planned activity set in the annual cycle of Board business; any standing items agreed by the Board; any applicable items received from the Board’s Committees and Advisory Groups; and the priorities facing the Trust. The Chair must ensure that all relevant matters are brought before the Board on a timely basis.

7.4.2 Any Board member may request that a matter is placed on the Agenda by writing to the Chair, copied to the Board Secretary, at least 12 calendar days before the meeting. The request must set out whether the item of business is proposed to be transacted in public and shall include appropriate supporting information. The Chair may, at their discretion, include items on the agenda that have been requested after the 12 day notice period if this would be beneficial to the conduct of board business.

Notifying and equipping Board members

7.4.3 Board members shall be sent an Agenda and a complete set of supporting papers at least 7 calendar days before a formal Board meeting. This information may be provided to Board members electronically or in paper form, in an accessible format, to the address provided, and in accordance with their stated preference. Supporting papers may, exceptionally, be provided, after this time provided that the Chair is satisfied that the Board’s ability to consider the issues contained within the paper would not be impaired.

7.4.4 No papers will be included for consideration and decision by the Board unless the Chair is satisfied (subject to advice from the Board Secretary, as appropriate) that the information contained within it is sufficient to enable the Board to take a reasonable decision. This will include evidence that appropriate impact assessments have been undertaken and taken into consideration. Impact assessments shall be undertaken on all new or revised policies, strategies, guidance and or practice to be considered by the Board, and the outcome of that assessment shall accompany the report to the Board to enable the Board to make an informed decision.

7.4.5 In the event that at least half of the Board members do not receive the Agenda and papers for the meeting as set out above, the Chair must consider whether or not the Board would still be capable of fulfilling its role and meeting its responsibilities through the
conduct of the meeting. Where the Chair determines that the meeting should go ahead, their decision, and the reason for it, shall be recorded in the minutes.

7.4.6 In the case of a meeting called by Board members, notice of that meeting must be signed by those members and the business conducted will be limited to that set out in the notice.

**Notifying the public and others**

7.4.7 Except for meetings called in accordance with Standing Order 7.3, at least 10 calendar days before each meeting of the Board a public notice of the time and place of the meeting, and the public part of the agenda, shall be displayed bilingually (in English and Welsh):

- At the Trust’s principal sites;
- on the Trust’s website, together with the papers supporting the public part of the Agenda; as well as
- Through other methods of communication as set out in the Trust’s communication strategy.

7.4.8 When providing notification of the forthcoming meeting, the Trust shall set out when and how the Agenda and the papers supporting the public part of the Agenda may be accessed, in what language and in what format, e.g., as Braille, large print, easy read, etc.

### 7.5 Conducting Board Meetings

**Admission of the public, the press and other observers**

7.5.1 The Trust shall encourage attendance at its formal Board meetings by the public and members of the press as well as Trust officers or representatives from organisations who have an interest in Trust business. The venue for such meetings shall be appropriate to facilitate easy access for attendees and translation services; and shall have appropriate facilities to maximise accessibility.

7.5.2 The Board and its committees shall conduct as much of its formal business in public as possible. There may be circumstances where it would not be in the public interest to discuss a matter in public, e.g., business that relates to a confidential matter. In such cases the Chair (advised by the Board Secretary where appropriate) shall schedule these issues accordingly and require that any observers withdraw from the meeting. In doing so, the Board shall resolve:
That representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest in accordance with Section 1(2) Public Bodies (Admission to Meetings) Act 1960 (c.67).

7.5.3 In these circumstances, when the Board is not meeting in public session it shall operate in private session formally reporting any decisions taken to the next meeting of the Board in public session. Wherever possible, that reporting shall take place at the end of a private session, by reconvening a Board meeting held in public session.

7.5.4 The Board Secretary, on behalf of the Chair, shall keep under review the nature and volume of business conducted in private session to ensure such arrangements are adopted only when absolutely necessary.

7.5.5 In encouraging entry to formal Board Meetings from members of the public and others, the Board shall make clear that attendees are welcomed as observers. The Chair shall take all necessary steps to ensure that the Board’s business is conducted without interruption and disruption. In exceptional circumstances, this may include a requirement that observers leave the meeting.

7.5.6 Unless the Board has given prior and specific agreement, members of the public or other observers will not be allowed to record proceedings in any way other than in writing.

Addressing the Board, its Committees and Advisory Groups

7.5.7 The Board will decide what arrangements and terms and conditions it feels are appropriate in extending an invitation to observers to attend and address any meetings of the Board, its Committees and Advisory Groups, and may change, alter or vary these terms and conditions as it considers appropriate. In doing so, the Board will take account of its responsibility to actively encourage the engagement and, where appropriate, involvement of citizens and stakeholders in the work of the Trust, (whether directly or through the activities of bodies such as CHC and the Trust’s Advisory Groups representing citizens and other stakeholders) and to demonstrate openness and transparency in the conduct of business.

Chairing Board Meetings
7.5.8 The Chair of the Trust will preside at any meeting of the Board unless they are absent for any reason (including any temporary absence or disqualification from participation on the grounds of a conflict of interest). In these circumstances the Vice Chair shall preside. If both the Chair and vice chair are absent or disqualified, the Non-executive Directors present shall elect one of the Non-executive Directors to preside.

7.5.9 The Chair must ensure that the meeting is handled in a manner that enables the Board to reach effective decisions on the matters before it. This includes ensuring that Board members’ contributions are timely and relevant and move business along at an appropriate pace. In doing so, the Board must have access to appropriate advice on the conduct of the meeting through the attendance of the nominated Board Secretary. The Chair has the final say on any matter relating to the conduct of Board business.

Quorum

7.5.10 At least one-third of all Board members, at least one of whom is an Executive Director and two are Non-executive Directors, must be present to allow any formal business to take place at a Board meeting.

7.5.11 If the Chief Executive or an Executive Director is unable to attend a Board meeting, then a nominated deputy may attend in their absence and may participate in the meeting, provided that the Chair has agreed the nomination before the meeting. However, Board members’ voting rights cannot be delegated so the nominated deputy may not vote or be counted towards the quorum. If a deputy is already a Board member in their own right, e.g., a person deputising for the Chief Executive will usually be an Executive Director, they will be able to exercise their own vote in the usual way but they will not have any additional voting rights.

7.5.12 The quorum must be maintained during a meeting to allow formal business to be conducted, i.e., any decisions to be made. Any Board member disqualified through conflict of interest from participating in the discussion on any matter and/or from voting on any resolution will no longer count towards the quorum. If this results in the quorum not being met that particular matter or resolution cannot be considered further at that meeting, and must be noted in the minutes.

Dealing with motions
7.5.13 In the normal course of Board business items included on the agenda are subject to discussion and decisions based on consensus. Considering a motion is therefore not a routine matter and may be regarded as exceptional, e.g. where an aspect of service delivery is a cause for particular concern, a Board member may put forward a motion proposing that a formal review of that service area is undertaken by a Committee of the Board. The Board Secretary will advise the Chair on the formal process for dealing with motions. No motion or amendment to a motion will be considered by the Board unless moved by a Board member and seconded by another Board member (including the Chair).

7.5.14 **Proposing a formal notice of motion** – Any Board member wishing to propose a motion must notify the Chair in writing of the proposed motion at least 12 days before a planned meeting. Exceptionally, an emergency motion may be proposed up to one hour before the fixed start of the meeting, provided that the reasons for the urgency are clearly set out. Where sufficient notice has been provided, and the Chair has determined that the proposed motion is relevant to the Board’s business, the matter shall be included on the Agenda, or, where an emergency motion has been proposed, the Chair shall declare the motion at the start of the meeting as an additional item to be included on the agenda.

7.5.15 The Chair also has the discretion to accept a motion proposed during a meeting provided that the matter is considered of sufficient importance and its inclusion would not adversely affect the conduct of Board business.

7.5.16 **Amendments** - Any Board member may propose an amendment to the motion at any time before or during a meeting and this proposal must be considered by the Board alongside the motion.

7.5.17 If there are a number of proposed amendments to the motion, each amendment will be considered in turn, and if passed, the amended motion becomes the basis on which the further amendments are considered, i.e., the substantive motion.

7.5.18 **Motions under discussion** – When a motion is under discussion, any Board member may propose that:

- The motion be amended;
- The meeting should be adjourned;
- The discussion should be adjourned and the meeting proceed to the next item of business;
- A Board member may not be heard further;
- The Board decides upon the motion before them;
An ad hoc Committee should be appointed to deal with a specific item of business; or
- The public, including the press, should be excluded.

7.5.19 Rights of reply to motions – The mover of a motion (including an amendment) shall have a right of reply at the close of any debate on the motion or the amendment immediately prior to a vote on the proposal.

7.5.20 Withdrawal of motion or amendments – A motion or an amendment to a motion, once moved and seconded, may be withdrawn by the proposer with the agreement of the seconder and the Chair.

7.5.21 Motion to rescind a resolution – The Board may not consider a motion to amend or rescind any resolution (or the general substance of any resolution) which has been passed within the preceding six months unless the motion is supported by the (simple) majority of Board members.

7.5.22 A motion that has been decided upon by the Board cannot be proposed again within six months except by the Chair, unless the motion relates to the receipt of a report or the recommendations of a Committee/Chief Executive to which a matter has been referred.

Voting

7.5.23 The Chair will determine whether Board members’ decisions should be expressed orally, through a show of hands, by secret ballot or by recorded vote. The Chair must require a secret ballot or recorded vote if the majority of voting Board members request it. Where voting on any question is conducted, a record of the vote shall be maintained. In the case of a secret ballot the decision shall record the number voting for, against or abstaining. Where a recorded vote has been used the Minutes shall record the name of the individual and the way in which they voted.

7.5.24 In determining every question at a meeting the Board members must take account, where relevant, of the views expressed and representations made by individuals or organisations who represent the interests of the Trust’s citizens and stakeholders. Such views will usually be presented to the Board through the Chair(s) of the Trust’s Advisory Group(s) and the CHC representative(s).

7.5.25 The Board will make decisions based on a simple majority view
held by the Board members present. In the event of a split decision, i.e., no majority view being expressed, the Chair shall have a second and casting vote.

7.5.26 In no circumstances may an absent Board member or nominated deputy vote by proxy. Absence is defined as being absent at the time of the vote.

7.6 Record of Proceedings

7.6.1 A record of the proceedings of formal Board meetings (and any other meetings of the board where the Board members determine) shall be drawn up as ‘minutes’. These minutes shall include a record of Board member attendance (including the Chair) together with apologies for absence, and shall be submitted for agreement at the next meeting of the Board, where any discussion shall be limited to matters of accuracy. Any agreed amendment to the minutes must be formally recorded.

7.6.2 Agreed minutes shall be circulated in accordance with Board members’ wishes, and, where providing a record of a formal Board meeting shall be made available to the public both on the Trust’s website and in hard copy or other accessible format on request, in accordance with any legislative requirements, e.g., Data Protection Act 2018, the General Data Protection Regulations 2018, and the Trust’s Communication Strategy and Welsh language requirements.

7.7 Confidentiality

7.7.1 All Board members together with members of any Committee or Advisory Group established by or on behalf of the Board and Trust officials must respect the confidentiality of all matters considered by the Trust in private session or set out in documents which are not publicly available. Disclosure of any such matters may only be made with the express permission of the Chair of the Board or relevant Committee, as appropriate, and in accordance with any other requirements set out elsewhere, e.g., in contracts of employment, within the Values and Standards of Behaviour framework: Declarations of Interest, Gifts, Hospitality and Sponsorship Policy and Procedure or legislation such as the Freedom of Information Act 2000, eThese values and standards of behaviour will apply to all those conducting business by or on behalf of the Trust, including Board members, Trust officers and others, as appropriate. The framework adopted by the Board framework: Declarations of Interest, Gifts, Hospitality and Sponsorship Policy and Procedure will form part of these SOs.
8.0 VALUES AND STANDARDS OF BEHAVIOUR

8.0.1 The Board must adopt a set of values and standards of behaviour for the Trust that meets the requirements of the NHS Wales Values and Standards of Behaviour Framework. These values and standards of behaviour will apply to all those conducting business by or on behalf of the Trust, including Board members, Trust offices and others, as appropriate. The Framework adopted by the Board, Declarations of Interests, Gifts, hospitality and sponsorship policy and procedure will form part of these Standing Orders.

8.1 Declaring and recording Board members’ interests

8.1.1 Declaration of interests – It is a requirement that all Board members must declare any personal or business interests they may have which may affect, or be perceived to affect the conduct of their role as a Board member. This includes any interests that may influence or be perceived to influence their judgement in the course of conducting the Board’s business. Board members must be familiar with the Values and Standards of Behaviour Framework: Declarations of Interest, Gifts, Hospitality and Sponsorship Policy and procedure and their statutory duties under the Membership Regulations. Board members must notify the Chair and Board Secretary of any such interests at the time of their appointment, and any further interests as they arise throughout their tenure as Board members.

8.1.2 Board members must also declare any interests held by family members or persons or bodies with which they are connected. The Board Secretary will provide advice to the Chair and the Board on what should be considered as an ‘interest’, taking account of the regulatory requirements and any further guidance, e.g. the Values and Standards of Behaviour framework. If individual Board members are in any doubt about what may be considered as an interest, they should seek advice from the Board Secretary. However, the onus regarding declaration will reside with the individual Board member.

8.1.3 Register of interests – The Chief Executive, through the Board Secretary will ensure that a Register of Interests is established and maintained as a formal record of interests declared by all Board members. The register will include details of all Directorships and other relevant and material interests which have been declared by Board members.

8.1.4 The register will be held by the Board Secretary, and will be
updated during the year, as appropriate, to record any new interests, or changes to the interests declared by Board members. The Board Secretary will also arrange an annual review of the Register, through which Board members will be required to confirm the accuracy and completeness of the register relating to their own interests.

8.1.5 In line with the Board’s commitment to openness and transparency, the Board Secretary must take reasonable steps to ensure that the citizens served by the Trust are made aware of, and have access to view the Trust’s Register of Interests. This may include publication on the Trust’s website.

8.1.6 **Publication of declared interests in Annual Report** – Board members’ directorships of companies or positions in other organisations likely or possibly seeking to do business with the NHS shall be published in the Trust's Annual Report.

### 8.2 Dealing with Members’ interests during Board meetings

8.2.1 The Chair, advised by the Board Secretary, must ensure that the Board’s decisions on all matters brought before it are taken in an open, balanced, objective and unbiased manner. In turn, individual Board members must demonstrate, through their actions, that their contribution to the Board’s decision making is based upon the best interests of the Trust and the NHS in Wales.

8.2.2 Where individual Board members identify an interest in relation to any aspect of Board business set out in the Board’s meeting agenda, that member must declare an interest at the start of the Board meeting. Board members should seek advice from the Chair, through the Board Secretary before the start of the Board meeting if they are in any doubt as to whether they should declare an interest at the meeting. All declarations of interest made at a meeting must be recorded in the Board minutes.

8.2.3 It is the responsibility of the Chair, on behalf of the Board, to determine the action to be taken in response to a declaration of interest, taking account of any regulatory requirements or Directions made by the Welsh Ministers. The range of possible actions may include determination that:

* the declaration is formally noted and recorded, but that the Board member should participate fully in the Board’s discussion and decision, including voting. This may be appropriate, for example where the Board is considering matters of strategy relating to a particular aspect of
healthcare and an Independent Member is a healthcare professional whose profession may be affected by that strategy determined by the Board;

ii The declaration is formally noted and recorded, and the Board member participates fully in the Board’s discussion, but takes no part in the Board’s decision;

iii The declaration is formally noted and recorded, and the Board member takes no part in the Board discussion or decision;

iv The declaration is formally noted and recorded, and the Board member is excluded for that part of the meeting when the matter is being discussed. A Board member must be excluded, where that member has a direct or indirect financial interest in a matter being considered by the Board.

8.2.4 In extreme cases, it may be necessary for the member to reflect on whether their position as a Board member is compatible with an identified conflict of interest.

8.2.5 Where the Chair is the individual declaring an interest, any decision on the action to be taken shall be made by the Vice Chair, on behalf of the Board.

8.2.6 In all cases the decision of the Chair (or the Vice Chair in the case of an interest declared by the Chair) is binding on all Board members. The Chair should take advice from the Board Secretary when determining the action to take in response to declared interests; taking care to ensure their exercise of judgement is consistently applied.

8.2.7 **Members with pecuniary (financial) interests** – Where a Board member, or any person they are connected with has any direct or indirect pecuniary interest in any matter being considered by the Board, including a contract or proposed contract, that member must not take part in the consideration or discussion of that matter or vote on any question related to it. The Board may determine that the Board member concerned shall be excluded from that part of the meeting.

---

1 In the case of persons who are married to each other or in a civil partnership with each other or who are living together as if married or civil partners, the interest of one person shall, if known to the other, be deemed for the purpose of this Standing Order to be also an interest of the other.
8.2.8 The Membership Regulations define ‘direct’ and ‘indirect’ pecuniary interests and these definitions always apply when determining whether a member has an interest. These SOs must be interpreted in accordance with these definitions.

8.2.9 **Members with Professional Interests** - During the conduct of a Board meeting, an individual Board member may establish a clear conflict of interest between their role as a Trust Board member and that of their professional role outside of the Board. In any such circumstance, the Board shall take action that is proportionate to the nature of the conflict, taking account of the advice provided by the Board Secretary.

8.3 **Dealing with officers’ interests**

8.3.1 The Board must ensure that the Board Secretary, on behalf of the Chief Executive, establishes and maintains a system for the declaration, recording and handling of Trust officers’ interests in accordance with the Values and Standards of Behaviour Framework.

8.4 **Reviewing how Interests are handled**

8.4.1 The Audit Committee will review and report to the Board upon the adequacy of the arrangements for declaring, registering and handling interests at least annually.

8.5 **Dealing with offers of gifts², hospitality and sponsorship**

8.5.1 The Values and Standards of Behaviour Framework Declarations of Gifts, Hospitality and Sponsorship Policy and Procedure approved by the Board prohibits Board members and Trust officers from receiving gifts, hospitality or benefits in kind from a third party which may reasonably give rise to suspicion of conflict between their official duty and their private interest, or may reasonably be seen to compromise their personal integrity in any way.

8.5.2 Gifts, benefits or hospitality must never be solicited. Any Board member or Trust officer who is offered a gift, benefit or hospitality which may or may be seen to compromise their position must refuse to accept it. This may in certain circumstances also include

²The term gift refers also to any reward or benefit.
a gift, benefit or hospitality offered to a family member of a Trust Board member or officer. Failure to observe this requirement may result in disciplinary and/or legal action.

8.5.3 In determining whether any offer of a gift or hospitality should be accepted, an individual must make an active assessment of the circumstances within which the offer is being made, seeking advice from the Board Secretary as appropriate. In assessing whether an offer should be accepted, individuals must take into account:

- **Relationship:** Contacts which are made for the purpose of information gathering are generally less likely to cause problems than those which could result in a contractual relationship, in which case accepting a gift or hospitality could cause embarrassment or be seen as giving rise to an obligation;

- **Legitimate Interest:** Regard should be paid to the reason for the contact on both sides and whether it is a contact that is likely to benefit the Trust;

- **Value:** Gifts and benefits of a trivial or inexpensive seasonal nature, e.g., diaries/calendars, are more likely to be acceptable and can be distinguished from more substantial offers. Similarly, hospitality in the form of a working lunch would not be treated in the same way as more expensive social functions, travel or accommodation (although in some circumstances these may also be accepted);

- **Frequency:** Acceptance of frequent or regular invitations particularly from the same source would breach the required standards of conduct. Isolated acceptance of, for example, meals, tickets to public, cultural or social events would only be acceptable if attendance is justifiable in that it benefits the Trust; and

- **Reputation:** If the body concerned is known to be under investigation by or has been publicly criticised by a public body, regulators or inspectors, acceptance of a gift or hospitality might be seen as supporting the body or affecting in some way the investigation or negotiations and it should always be declined.

8.5.4 A distinction may be drawn between items offered as hospitality and items offered in substitution for fees for broadcasts, speeches, lectures or other work done. There may be circumstances where the latter may be accepted if they can be used for official purposes.
8.6 Sponsorship

8.6.1 In addition gifts and hospitality individuals and the organisation may also receive sponsorship. Sponsorship is an offer of funding to an individual, department or the organisation as a whole from an external source whether in cash, goods, services or benefits. It could include an offer to sponsor a research or operational post, training, attendance at a conference, costs associated with meetings, conferences or a working visit. The sponsorship may cover some or all of the costs.

8.6.2 All sponsorship must be approved prior to acceptance in accordance with the Values and Standards of Behaviour Framework: Declarations of Interest, Gifts, Hospitality and Sponsorship Policy and Procedure and relevant procedures. A record of all sponsorship accepted or declined will also be maintained.

8.7 Register of Gifts, Hospitality and Sponsorship

8.7.1 The Board Secretary, on behalf of the Chair, will maintain a register of Gifts, Hospitality and Sponsorship to record offers of gifts, hospitality and sponsorship made to Board members. A similar register will be maintained for Trust officers.

8.7.2 Every Board member and Trust officer has a personal responsibility to volunteer information in relation to offers of gifts, hospitality and sponsorship, including those offers that have been refused. The Board Secretary, on behalf of the Chair and Chief Executive, will ensure the incidence and patterns of offers and receipt of gifts, hospitality and sponsorship are kept under active review, taking appropriate action where necessary.

8.7.3 When determining what should be included in the Register with regard to gifts and hospitality, individuals shall apply the following principles, subject to the considerations in Standing Order 8.5.3:

- **Gifts:** Generally, only gifts of material value should be recorded. Those with a nominal value, e.g., seasonal items such as diaries/calendars would not usually need to be recorded.

- **Hospitality:** Only significant hospitality offered or received should be recorded. Occasional offers of "modest and
proportionate hospitality need not be included in the Register.

8.7.4 Board members and Trust officers may accept the occasional offer of modest and proportionate hospitality but in doing so must consider whether the following conditions are met:

- acceptance would further the aims of the Trust;
- the level of hospitality is reasonable in the circumstances;
- it has been openly offered; and,
- it could not be construed as any form of inducement and will not put the individual under any obligation to those offering it.

8.7.5 The Board Secretary will arrange for a full report of all offers of Gifts, Hospitality and Sponsorship recorded by the Trust to be submitted to the Audit Committee (or equivalent) at least annually. The Audit Committee will then review and report to the Board upon the adequacy of the Trust’s arrangements for dealing with offers of gifts, hospitality and sponsorship.

9. SIGNING AND SEALING DOCUMENTS

9.0.1 The common seal of the Trust is primarily used to seal legal documents such as transfers of land, lease agreements and other important/key contracts. The seal may only be fixed to a document if the Board has determined it shall be sealed, or if a transaction to which the document relates has been approved by the Board or Committee of the Board.

9.02. Where it is decided that a document shall be sealed it shall be fixed in the presence of the Chair or Vice Chair (or other authorised independent Member) and the Chief Executive (or another authorised individual) both of whom must witness the seal.

9.1 Register of Sealing

9.1.1 The Board Secretary shall keep a register that records the sealing of every document. Each entry must be signed by the persons who approved and authorised the document and who witnessed the seal. A report of all sealings shall be presented to the Board

---

3 Examples of ‘modest and proportionate’ hospitality that need not be included in a Hospitality register include a working sandwich lunch or a buffet lunch incidental to a conference or seminar attended by a variety of participants.
at least bi-annually.

9.2 Signature of Documents

9.2.1 Where a signature is required for any document connected with legal proceedings involving the Trust, it shall be signed by the Chief Executive, except where the Board has authorised another person or has been otherwise directed to allow or require another person to provide a signature.

9.2.2 The Chief Executive or nominated officers may be authorised by the Board to sign on behalf of the Trust any agreement or other document (not required to be executed as a deed) where the subject matter has been approved either by the Board or a Committee to which the Board has delegated appropriate authority.

9.3 Custody of Seal

9.3.1 The Common Seal of the Trust shall be kept securely by the Board Secretary.

10. GAINING ASSURANCE ON THE CONDUCT OF TRUST BUSINESS

10.0.1 The Board shall set out explicitly, within a Risk and Assurance Framework, how it will be assured on the conduct of Trust business, its governance and the effective management of the organisation’s risks in pursuance of its aims and objectives. It shall set out clearly the various sources of assurance, and where and when that assurance will be provided, in accordance with any requirements determined by the Welsh Ministers.

10.0.2 The Board shall ensure that its assurance arrangements are operating effectively, advised by its Audit Committee (or equivalent).

10.0.3 Assurances in respect of services provided by the NHS Wales Shared Services Partnership shall primarily be achieved by the reports of the Director of Shared Services to the Shared Services Partnership Committee, and reported back by the Chief Executive (or their nominated representative). Where appropriate, and by exception, the Board may seek assurances direct from the Director of Shared Services. The Director of Shared Services and the Shared Services Partnership Committee shall be under an obligation to comply with any internal or external audit functions
being undertaken by or on behalf of the Trust.

10.0.4 Whilst the Trust is not a member of WHSSC or EASC the Chief Executive does attend the Committees as an Associate Member. Assurances in respect of the functions discharged by WHSSC and EASC shall achieved by the reports of the respective Joint Committee Chair, and reported back by the Chief Executive.

10.0.5 Arrangements for seeking and providing assurance is respect of any other services provided on behalf of or in association with the Trust shall be clearly identified and reflected within the practice of the organisation and within the relevant agreements.

10.1 The role of Internal Audit in providing independent internal assurance

10.1.1 The Board shall ensure the effective provision of an independent internal audit function as a key source of its internal assurance arrangements, in accordance with NHS Wales Internal Auditing Standards and any other requirements determined by the Welsh Ministers.

10.1.2 The Board shall set out the relationship between the Head of Internal Audit (HIA), the Audit Committee (or equivalent) and the Board. It shall:

- Approve the Internal Audit Charter (incorporating the definition of internal audit) and adopt the Internal Auditing Standards (incorporating the code of ethics);
- ensure the HIA communicates and interacts directly with the Board, facilitating direct and unrestricted access;
- require Internal Audit to confirm its independence annually; and
- ensure that the Head of Internal Audit reports periodically to the Board on its activities, including its purpose, authority, responsibility and performance. Such reporting will include governance issues and significant risk exposures.

10.2 Reviewing the performance of the Board, its Committees and Advisory Groups

10.2.1 The Board shall introduce a process of regular and rigorous self-assessment and evaluation of its own operations and performance
and that of its Committees and Advisory Groups. Where appropriate, the Board may determine that such evaluation may be independently facilitated.

10.2.2 Each Committee and, where appropriate, Advisory Group must also submit an annual report to the Board through the Chair within 6 weeks of the end of the reporting year setting out its activities during the year and including the review of its performance and that of any sub-Committees it has established.

10.2.3 The Board shall use the information from this evaluation activity to inform:

- the ongoing development of its governance arrangements, including its structures and processes;
- its Board Development Programme, as part of an overall Organisation Development framework; and
- the Board’s report of its alignment with the Welsh Government’s Citizen Centred Governance Principles.

10.3 External Assurance

10.3.1 The Board shall ensure it develops effective working arrangements and relationships with those bodies that have a role in providing independent, external assurance to the public and others on the Trust’s operations, e.g., the Auditor General for Wales and Healthcare Inspectorate Wales.

10.3.2 The Board may be assured, from the work carried out by external audit and others, on the adequacy of its own assurance framework, but that external assurance activity shall not form part of, or replace its own internal assurance arrangements, except in relation to any additional work that the Board itself may commission specifically for that purpose.

10.3.3 The Board shall keep under review and ensure that, where appropriate, the Trust implements any recommendations relevant to its business made by the Welsh Government’s Audit Committee, the National Assembly for Wales’s Public Accounts Committee or other appropriate bodies.

10.3.4 The Trust shall provide the Auditor General for Wales with any assistance, information and explanation which the Auditor General thinks necessary for the discharge of their statutory powers and responsibilities.
11. DEMONSTRATING ACCOUNTABILITY

11.0.1 Taking account of the arrangements set out within these SOs, the Board shall demonstrate to the communities it serves and to the Welsh Ministers a clear framework of accountability within which it:

- Conducts its business internally;
- Works collaboratively with NHS colleagues, partners, service providers and others; and

Public Health Wales
Scheme of Reservation and Delegation of Powers
MODEL SCHEME OF RESERVATION AND DELEGATION OF POWERS

This Schedule forms part of, and shall have effect as if incorporated in the NHS Trust Standing Orders

Introduction

As set out in Standing Order 2, the Board - subject to any directions that may be made by the Welsh Ministers - shall make appropriate arrangements for certain functions to be carried out on its behalf so that the day to day business of the Trust may be carried out effectively, and in a manner that secures the achievement of the organisation’s aims and objectives. The Board may delegate functions to:

i) a Committee, (e.g. Quality and Safety Committee);

ii) A sub-Committee e.g., a locality based Quality and Safety Committee taking forward matters within a defined area. Any such delegation would, subject to the Board’s authority, usually be via a main Committee of the Board); and

iii) Officers of the Trust (who may, subject to the Board’s authority, delegate further to other officers and, where appropriate, other third parties, e.g. shared/support services, through a formal scheme of delegation)

and in doing so, must set out clearly the terms and conditions upon which any delegation is being made. These terms and conditions must include a requirement that the Board is notified of any matters that may affect the operation and/or reputation of the Trust.

The Board’s determination of those matters that it will retain, and those that will be delegated to others are set out in the following:

- Schedule of matters reserved to the Board;
- Scheme of delegation to Committees and others; and
- Scheme of delegation to officers.

all of which form part of the Trust’s Standing Orders.
DECIDING WHAT TO RETAIN AND WHAT TO DELEGATE: GUIDING PRINCIPLES

The Board will take full account of the following principles when determining those matters that it reserves, and those which it will delegate to others to carry out on its behalf:

- Everything is retained by the Board unless it is specifically delegated in accordance with the requirements set out in SOs or SFIs
- The Board must retain that which it is required to retain (whether by statute or as determined by the Welsh Ministers) as well as that which it considers is essential to enable it to fulfil its role in setting the organisation’s direction, equipping the organisation to deliver and ensuring achievement of its aims and objectives through effective performance management
- Any decision made by the Board to delegate functions must be based upon an assessment of the capacity and capability of those to whom it is delegating responsibility
- The Board must ensure that those to whom it has delegated powers (whether a Committee, partnership or individuals) remain equipped to deliver on those responsibilities through an ongoing programme of personal, professional and organisational development
- The Board must take appropriate action to assure itself that all matters delegated are effectively carried out
- The framework of delegation will be kept under active review and, where appropriate, will be revised to take account of organisational developments, review findings or other changes
- Except where explicitly set out, the Board retains the right to decide upon any matter for which it has statutory responsibility, even if that matter has been delegated to others
- The Board may delegate authority to act, but retains overall responsibility and accountability
- When delegating powers, the Board will determine whether (and the extent to which) those to whom it is delegating will, in turn, have powers to further delegate those functions to others.
HANDLING ARRANGEMENTS FOR THE RESERVATION AND DELEGATION OF POWERS: WHO DOES WHAT

The Board

The Board will formally agree, review and, where appropriate revise schedules of reservation and delegation of powers in accordance with the guiding principles set out earlier.

The Chief Executive

The Chief Executive will propose a Scheme of Delegation to Officers, setting out the functions they will perform personally and which functions will be delegated to other officers. The Board must formally agree this scheme.

In preparing the scheme of delegation to officers, the Chief Executive will take account of:

- the guiding principles set out earlier (including any specific statutory responsibilities designated to individual roles)
- their personal responsibility and accountability to the Chief Executive, NHS Wales in relation to their role as designated Accountable Officer
- associated arrangements for the delegation of financial authority to equip officers to deliver on their delegated responsibilities (and set out in SFIs).

The Chief Executive may re-assume any of the powers they have delegated to others at any time.

The Board Secretary

The Board Secretary will support the Board in its handling of reservations and delegations by ensuring that:

- A proposed schedule of matters reserved for decision by the Board is presented to the Board for its formal agreement;
- Effective arrangements are in place for the delegation of Trust functions within the organisation and to others, as appropriate; and
- arrangements for reservation and delegation are kept under review and presented to the Board for revision, as appropriate.
The Audit Committee

The Audit Committee will provide assurance to the Board of the effectiveness of its arrangements for handling reservations and delegations.

Individuals to who powers have been delegated

Individuals will be personally responsible for:

- equipping themselves to deliver on any matter delegated to them, through the conduct of appropriate training and development activity; and
- exercising any powers delegated to them in a manner that accords with the Trust’s values and standards of behaviour.

Where an individual does not feel that they are equipped to deliver on a matter delegated to them, they must notify the Chief Executive, Director of Finance, Board Secretary or line manager of their concern as soon as possible in so that an appropriate and timely decision may be made on the matter.

In the absence of an officer to whom powers have been delegated, those powers will be exercised by the individual to whom that officer reports, unless the Board has set out alternative arrangements.

If the Chief Executive is absent their nominated Deputy may exercise those powers delegated to the Chief Executive on their behalf. However, the guiding principles governing delegations will still apply, and so the Board may determine that it will reassume certain powers delegated to the Chief Executive or reallocate powers, e.g., to a Committee or another officer.

SCOPE OF THESE ARRANGEMENTS FOR THE RESERVATION AND DELEGATION OF POWERS

The Scheme of Delegation to officers referred to here shows only the "top level" of delegation within the Trust. The Scheme is to be used in conjunction with the system of control and other established procedures within the Trust.

DELEGATION OF POWERS TO COMMITTEES AND OTHERS

Standing Order 2 provides that the Board may delegate powers to Committees and others. In doing so, the Board has formally determined:

- the composition, terms of reference and reporting requirements in respect of any such Committees; and
- the governance arrangements, terms and conditions and reporting requirements in respect of any delegation to others, in accordance with any regulatory requirements and any directions set by the Welsh Ministers.

The Board has delegated a range of its powers to the following Committees:

- Audit and Corporate Governance Committee
- Quality, Safety and Improvement Committee
- Information Governance Committee
- Knowledge, Research and Information Committee
- Remuneration and Conditions of Service Committee

The scope of the powers delegated, together with the requirements set by the Board in relation to the exercise of those powers are as set out in i) Committee terms of reference, and ii) Formal arrangements for the delegation of powers to others. Collectively, these documents form the Trust’s Scheme of Delegation to Committees.
SCHEME OF DELEGATION TO EXECUTIVE DIRECTORS, OTHER DIRECTORS AND OFFICERS

The Trust SOs and SFIs specify certain key responsibilities of the Chief Executive, the Director of Finance and other officers. The Chief Executive’s Job Description, together with their Accountable Officer Memorandum sets out their specific responsibilities, and the individual job descriptions determined for Executive Director level posts also define in detail the specific responsibilities assigned to those post holders. These documents set out in the Scheme of Delegation to Officers, Annex A to Schedule 1. This Annex, together with the associated financial delegations set out in the SFIs form the basis of the Trust’s Scheme of Delegation to Officers.

This scheme only relates to matters delegated by the Board to the Chief Executive and their Executive Directors, together with certain other specific matters referred to in SFIs.

Each Executive Director is responsible for delegation within their department. They shall produce a scheme of delegation for matters within their department, which shall also set out how departmental budget and procedures for approval of expenditure are delegated.

1. **Introduction**

1.1 The Local Partnership Forum (LPF) for Public Health Wales NHS Trust (PHW) is the formal mechanism where the Trust management and trade unions / professional organisations work together to improve the health and well-being of the people of Wales. It is the forum where key stakeholders can discuss and consider the organisation’s strategic direction, priorities and plans, and how these will affect the workforce, as well as engage with each other to inform, debate and seek to agree local priorities on workforce related issues facing the Trust.

1.2 The purpose of the LPF is twofold:
   - It is where key stakeholders can engage with each other to prioritize, inform, debate, and seek agreement on strategic workforce and public health services issues enabling high-level, strategic discussions to take place in relation to the Trust’s future direction.
   - It will also provide the formal mechanism for consultation, negotiation and communication between the Trade Unions and management on specific workforce related matters that arise out of the Trust’s priorities and plans.

1.3 Operational, day to day matters will be discussed and resolved at Directorate, departmental or divisional level.

1.4 In embracing the ethos of partnership working, the Public Health Wales Board will engage staff organisations and trade unions in
the key discussions affecting the organisation and its staff at the PHW Board, LPF and at Local Directorate, departmental or divisional level.

1.5 The LPF will provide the formal mechanism for consultation, negotiation and communication between the trade unions / professional organisations and management.

1.6 The Trust’s approach to partnership working as laid out in the Partnership Working Charter is further reinforced in these Terms of Reference for the LPF.

2. **Principles**

2.1 As laid out in the Partnership Working Charter, Public Health Wales promotes partnership working, in realisation that that it supports both the workforce and management to work through challenges and to grow and strengthen their respective organisations. Such relationships are built on trust and confidence and demonstrate a real commitment to work together.

2.2 The TUC six principles of partnership will underpin the relationships and work of the LPF:
- a shared commitment to the success of the organisation
- a focus on the quality of working life
- recognition of the legitimate roles of the employer and the trade union
- a commitment by the employer to employment security
- openness on both sides and a willingness by the employer to share information and discuss the future plans for the organisation
- adding value – a shared understanding that the partnership is delivering measurable improvements for the employer, the union and employees

2.3 In addition PHW management and trade unions will agree to abide by the following general principles:
- trade unions and management show joint commitment to the success of the organisation with a positive and constructive approach
- both recognise the legitimacy of other partners and their interests and treat all parties with trust and mutual respect
- all members of the LPF agree to engage with and fully contribute to the Forum’s activities in a way that
demonstrates mutual respect and upholds the standards of good governance.

- all members will equip themselves to fulfil the full breadth of their responsibilities by participating in personal and organisational development programmes or activities
- promote the work of the LPF within their respective professional disciplines
- practice open, honest and transparent communication
- bring effective representation for the views and interests of the workforce
- demonstrate a commitment to work with and learn from each other
- success is shared
- ensure trade union representatives are afforded reasonable paid time off to attend and prepare for LPF meetings

2.4 In line with the values, behaviours and principles laid out in the Partnership Working Charter (insert link), a Code of Conduct, which is attached at Appendix 1, sets the ground rules in respect of the way that meetings of the LPF are expected to be conducted.

3. Purpose

3.1 The purpose of the LPF is to establish quarterly meetings between PHW senior management and the trade unions on matters relating to the future direction of the Trust. Such discussions will be confined to strategic, high-level organisational plans and priorities enabling the LPF to be the formal mechanism for consultation, negotiation and communication between the trade unions and management on specific workforce related matters that arise out of the Trust’s strategic priorities and plans. This will include and enable:

- regular and formal dialogue between PHW and the trade unions on matters relating to strategic workforce and workforce related Trust issues
- the employer and trade unions to put forward issues affecting the workforce
- opportunities for trade unions and managers to input into PHW service development plans at an early stage
- consideration of the implications for staff of service reviews and identify and seek to agree new ways of working
• consideration of the implications for staff of NHS reorganisation at a national or local level and to work in partnership to achieve a mutually successful implementation
• appraisal and discussion in partnership of the financial performance of the organisation on a regular basis
• appraisal and discussion in partnership of PHW service activity and performance and its implications
• opportunities to identify, discuss and seek agreement on quality issues, including clinical governance, particularly where such issues have implications for staff
• communication to the LPF of key decisions taken by the Trust and senior management
• consideration of national developments in the NHS Wales Workforce Strategy and the implications for Public Health Wales including matters of service re-profiling
• negotiation on matters subject to local determination
• development in partnership of appropriate facilities arrangements using Agenda for Change Facilities Agreement as a minimum standard
• trade union representatives being afforded reasonable paid time off to undertake trade union duties

3.2 There will also be two Educational Meetings of the LPF every year in which management representatives and staff side representatives come together for training/updates/workshops on topical workforce related issues.

N.B. In addition to the above, Public Health Wales will establish local forums at Directorate, divisional and departmental level as required, to establish ongoing dialogue, communication and consultation on service and operational management issues specific to each area.

4. Delegated Powers and Authority

4.1 The LPF may establish sub committees or task and finish groups to carry out, on its behalf, specific aspects of the work of the LPF.
4.2 The Employment Policy Sub-Group meets quarterly, or as required (as a forum/workshop), to review and develop PHW employment policies, procedures, guidelines, protocols and schemes. It was established in 2016, by the former JNC, as a forum/workshop by which management and trade union
representatives, facilitated by People and OD, meet to jointly review and develop policies for recommendation to LPF, Executive Team/Senior Leadership Team and final ratification by People and OD Committee.

4.3 Minutes of the meetings of the LPF will be forwarded to People and OD Committee for information.

4.4 The LPF will refer any matters in relation to policy review and development where they have been unable to reach agreement to the People and OD Committee for consideration and final decision.

5. **Local Partnership Forum Meetings**

5.1 There will be quarterly meetings of the LPF which will consider the strategic direction of PHW as it relates to the workforce. Two of these meetings (in April and October) will specifically consider PHW Business Strategy including the Integrated Medium Term Plan, the 10 Year Strategy and Mid and End of Year Performance Reviews. These meetings will be chaired by the Chief Executive.

5.2 The remaining meetings will consider updates and progress in respect of major change programmes and major corporate initiatives as they affect the workforce. These meetings will be chaired alternatively by the Director of People and OD and the Chair of Staff Side.

5.3 A pre-agenda meeting will take place for all quarterly meetings, between the Director of People and OD and the Chair of Staff Side (or their representatives) in order to discuss and agree the agenda.

5.4 In addition to the quarterly meetings there will be two Educational Meetings held each year whereby management representatives and staff side representatives come together for training/updates/workshops on topical workforce related issues.

5.5 For all quarterly meetings of the LPF there should be 2 management representatives and 2 staff representatives from separate Trade Unions for the meeting to be quorate.

5.6 If a meeting is not quorate no decisions can be made but information may be exchanged and recommendations can be endorsed at the next meeting (when quorate).

5.7 The cycle of meetings will be determined and agreed at the start of each year but will generally follow the schedule below:
5.8 Chair/Joint Chairs can, by agreement, schedule extraordinary meetings with 7 calendar days notice.

5.9 The business of the formal quarterly meetings shall be restricted to matters pertaining to PHW strategic issues and discussion/updates in relation to major change programmes and major corporate initiatives. Local operational issues should be raised at local Directorate level and will not be considered unless it is agreed that such issues have Trust wide implications.

5.10 The agenda and papers for the formal quarterly meetings shall be sent out no later than 7 days in advance of the LPF the following meeting.

6. Membership

6.1 All members of the LPF shall be full and equal members and share responsibility for the decisions of the LPF.

Innovation and Technology Advisory Forum

1 Purpose

The Innovation and Technology Advisory Forum is a Forum to advise the Board on new thinking and new ways of doing things focused on innovation. The Forum will provide advice and support to create the cultural and organisational conditions for innovation. It will do this through a strategic and horizon scanning focus on new and existing innovations and technologies, in Wales and worldwide, that have the potential to substantially improve health and wellbeing through their consideration, adoption and exploitation. The Forum will offer external experts the opportunity to influence and shape how public health is driven forward in Wales.

In this context, we define technology as the application of scientific knowledge to the practical aims of human life or, as it is sometimes phrased, to the change and manipulation of the human environment. We define innovation as the process of translating ideas and capabilities arising from the research base into practical deployment, and recognise that innovation and improvement are part of the same continuum.

This will be in the context of transforming our approaches to achieving a healthier future for Wales in support of the implementation of our new Long Term Strategy, 2018 – 2030.

2 Delegated Powers

With regard to its role in providing advice to the Board, the Advisory Forum will:

2.1 Identify emerging new and existing disruptive technologies in relation to health and well-being, the evidence-base for these technologies, how and if they should be considered and how they can be adopted as agile, sustainable opportunities into the Welsh environment.

2.2 Advise the organisation on the evaluation of innovative approaches and new technologies in order to consider scaling down or widespread adoption.
2.3 Advise and support the organisation in fostering strategic relationships with potential key partners across different sectors and industries and co-innovating new approaches with them, and the public, across the breadth of our priorities. This will include identifying opportunities to engage in, and showcase at, existing industry-led or external events and networks.

2.4 Advise the organisation on any potential sources of funding for new technologies and innovation.

2.5 Advise the organisation on how to build a culture that empowers our people to build innovation into everything we do.

2.6 Bring in external expertise to challenge more orthodox thinking and share learning in relation to a number of organisation-wide priority areas e.g. how we understand public needs and engage with end users; workforce engagement.

In addition, the Forum will offer expertise to the internal Innovation Group within Public Health Wales whose role is to maintain pace around the development and implementation of Public Health Wales’ approach to innovation. This Group is chaired by the Director of NHS Quality Improvement and Patient Safety who is the organisational lead for Innovation and will report into the Forum as required.

3 Membership
The Advisory Forum will be chaired by a Non-Executive Director and reflect a diverse portfolio of skill sets from within the health sector, broader public services, Welsh Government, academia, industry partners and life sciences. The membership will comprise representation from within Wales and key international experts. A number of individuals will be invited to join the Forum as core members whilst additional individuals may be invited for specific agenda items or may be co-opted as members for a period of time.

Core Internal Membership:

• On an agenda driven basis, and the number will be dependent upon need.

Other Directors should attend from time to time as required by the forum.

4 Frequency and Style of Meetings
The Advisory Forum will meet no less than twice-yearly using enabling technology for remote participation. The style of the meetings will be in the form of a strategic, disruptive think tank to provide challenge and opportunities to the work of the organisation and its role as a National Public Health Institute in Wales.

If required, subgroup meetings will be arranged outside of these times at a time convenient to the subgroup members.
Where possible meetings will allow for virtual attendance by means of teleconference or Skype.

| 3. Objectives of strategy/ policy/ plan/ procedure/ service | NHS Trusts need to agree Standing Orders (SOs) for the regulation of their proceedings and business. Trusts are required to adopt schedules of reservation of powers and delegation of powers. These documents, together with the Standing Financial Instructions, provide a regulatory framework for the business conduct of the Trust. They fulfill the dual role of protecting the Trust’s interest and protecting staff from any possible accusation that they have acted less than properly. The |
Standing Orders, Delegated Powers and Standing Financial Instructions provide a comprehensive business framework. All Non-Executive Directors and Executive Directors, and all employees of the Trust, should be aware of the existence of these documents and, where necessary, be familiar with the detailed provisions.

The Standing Orders translate the statutory requirements set out in *The Public Health Wales National Health Service Trust (Membership and Procedure) Regulations 2009* into day to day operating practice.

The Board Secretary and Head of Board Business Unit commenced a review of the Standing Orders and Scheme of Delegation. Working with relevant stakeholders across directorates and corporate functions, revisions were made to ensure the documents remained fit-for-purpose and updated to provide an effective framework for organisational decision-making.

Standing orders outlines the requirement for an Equality Impact Assessment to be undertaken on any review of the Standing Orders:

“The Board Secretary shall arrange for an equality impact assessment to be carried out on these SOs prior to their formal adoption by the Board, the results of which shall be presented to the Board for consideration and action, as appropriate. The fact that an assessment has been carried out shall be noted in the SOs”.

This integrated Equality and Health Impact Assessment document is the product of these considerations and fulfils this requirement.

Standing Orders impacted on all groups, communities and individuals, as it is key to organisational decision-making. This document is the overarching document and framework which should be referred to when the Trust determines how it does business. It specifies who has authority for what and how the Board and its sub-committees will make decisions. Such decisions could impact on any of the protected characteristic groups.

The principles factors that may contribute to the outcomes of the policy are awareness, understanding of and compliance with the Standing Orders and Reservation and Delegation of Powers. Compliance will ensure that the Trust operates within a sound governance framework.

There was no specific equalities data available.

*The Equality Impact Assessment in Wales Practice Hub* provides good practice guidelines which were considered when undertaking this assessment. The [8 Steps to EIA](#) were also followed.

Please answer question 8.1 following the completion of the EHIA and complete the action plan

8.1 Please summarise the potential positive and/or negative impacts of the strategy, policy, plan or service

This Impact Assessment found that, by its very nature, the Standing Orders and Scheme of Delegation impacted on all groups, communities and individuals, as it is key to organisational decision-making. Such decisions could impact on any of the protected characteristic groups.

However, it has been determined that the document itself (or the revisions to it) does not have a direct impact on the majority of the protected characteristics other than the ability of some groups to read and understand it. As this is a governance document, the impact of this issue is limited as the document would not typically be referred to by a non-specialist readership.

The document is not currently available in any language other than English.

As an administrative document, there is no direct impact on the health of the population, the addressing of inequalities in health or the delivery of services. However, as noted above, it does impact on how Public Health Wales makes its decisions.

Some suggestions:-
- Decide whether the strategy, policy, plan, procedure and service proposal:
  - continues unchanged as there are no significant negative impacts
  - adjusts to account for the negative impacts
  - continues despite potential for adverse impact or missed opportunities to advance equality (set out the justifications for doing so)
  - stops.
- Have your strategy, policy, plan, procedure and/or service proposal approved
- Publish your report of this impact assessment
- Monitor and review
