Communicable disease

Autumn 2022/23 COVID booster coverage by age group, percentage, persons aged 50+, Wales, 09/2022 to 02/2023
Produced by PHW, using WIS (PHW)

Communicable disease

Healthcare associated C. difficile infections, 12 month rolling rate per 100,000, persons aged 2+, Wales health boards*, 01/2017 to 04/2023
Produced by PHW, using HCAI monthly data (CDSC)

Communicable disease

Healthcare associated Gram Negative Bacteraemia (GNB) infections, 12 month rolling rate per 100,000, persons all ages, Wales health boards*, 01/2017 to 04/2023
Produced by PHW, using HCAI monthly data (CDSC)

Communicable disease

4C* antimicrobial usage in Primary Care, items per 1,000 patients, Wales, 12/2017 to 09/2022 (3 month period ending)
Produced by PHW, using Antibiotic Data Library (HARP)
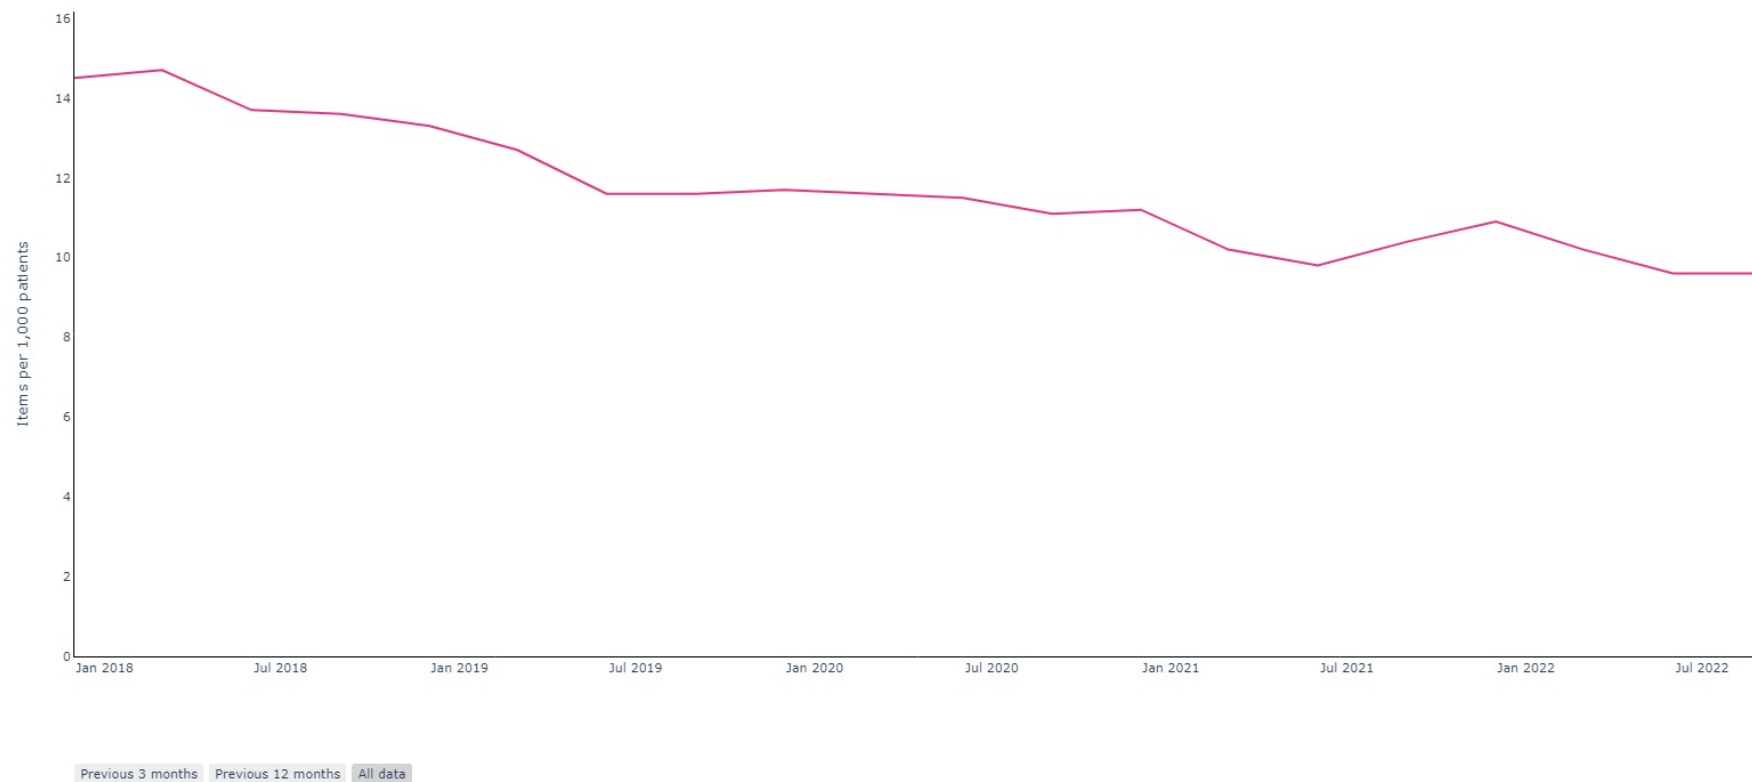

Communicable disease

Up to date* childhood immunisation, percentage, children aged 4 years, Wales health boards, 2017 to 2022
Produced by PHW, using NCCHD

System Ability to Respond

Patient pathways waiting to start treatment by weeks waiting, count, persons all ages, Wales, 01/2017 to 02/2023
Produced by PHW, using RTT (Stats Wales)

System Ability to Respond

Patient pathways waiting over 36 weeks to start treatment by health board, percentage, persons all ages, Wales, 01/2017 to 02/2023
Produced by PHW, using RTT (Stats Wales)
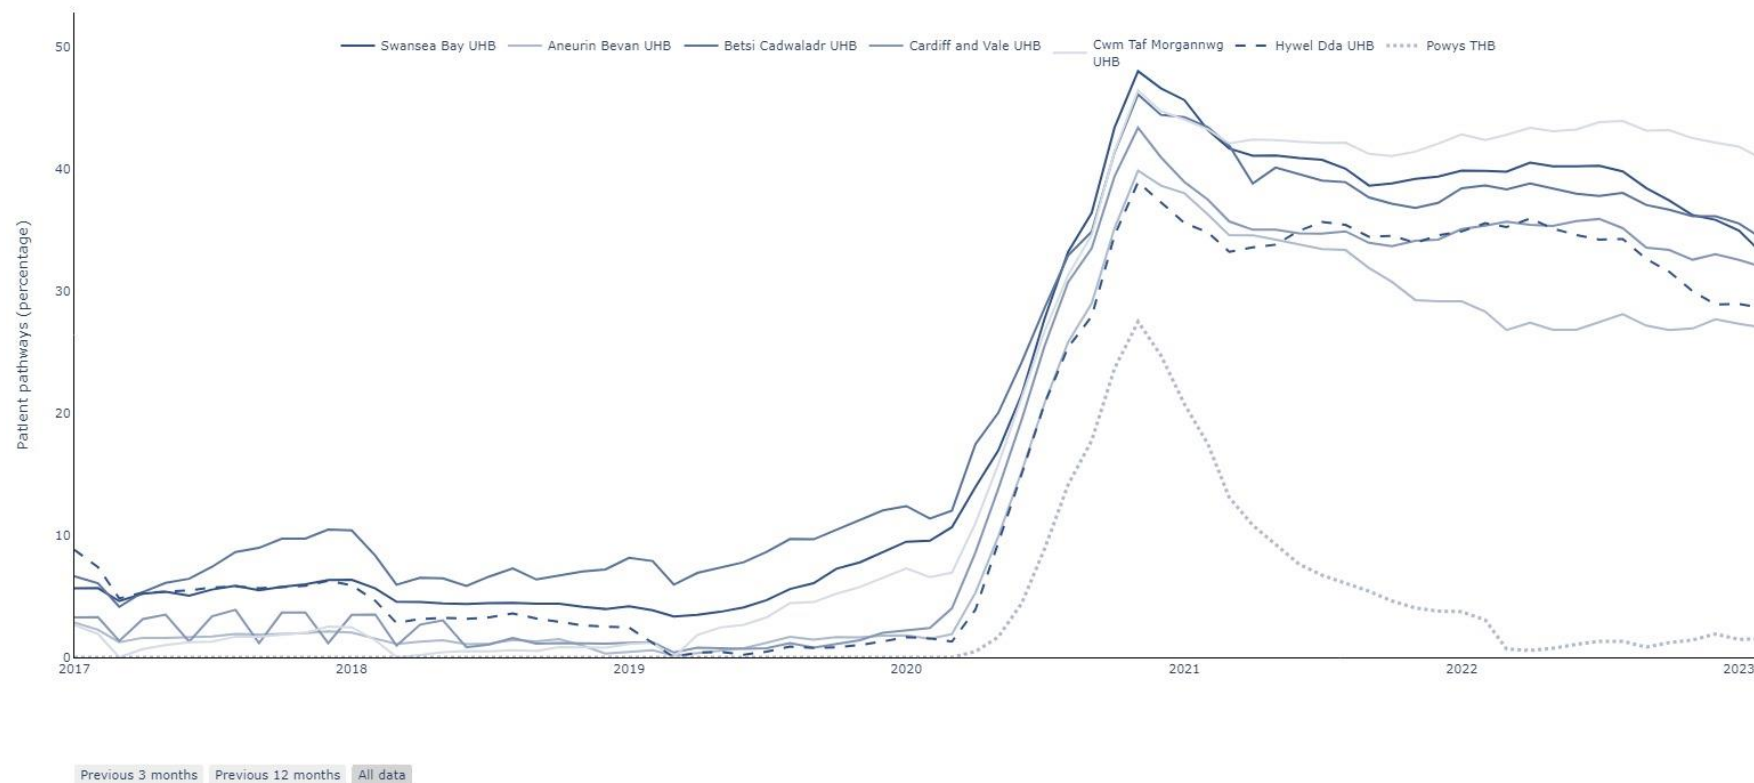

System Ability to Respond

Patient pathways waiting over 36 weeks to start treatment by specialty, count, persons all ages,
Wales, 01/2017 to 02/2023
Produced by PHW, using RTT (Stats Wales)

System Ability to Respond

Local Primary Mental Health Support Service assessments undertaken within 28 days of referral, percentage, Wales, 01/2017 to 12/2022
Produced by PHW, using Mental Health (Wales) Measure data collection (WG)

System Ability to Respond

Major emergency department performance against 4, 8 and 12 hour waiting time targets, percentage, Wales, 01/2017 to 03/2023
Produced by PHW, using EDDS (DHCW)

System Ability to Respond

Major emergency department performance against 4 hour waiting time target, percentage, Wales health boards*, 04/2019 to 03/2023
Produced by PHW, using EDDS (DHCW)

System Ability to Respond

Lost ambulance hours resulting from delayed handover of the patient to the facility*, count, Wales, 01/2017 to 03/2023
Produced by PHW, using WAST

System Ability to Respond

Emergency hospital admissions (including both inpatient and daycase admissions), by month, count, persons all ages, Wales, 01/2019 to 02/2023
Produced by PHW, using PEDW (DHCW)

System Ability to Respond

Elective hospital admissions (including both inpatient and daycase admissions), by month, count,
persons all ages, Wales, 01/2019 to 02/2023
Produced by PHW, using PEDW (DHCW)

System Ability to Respond

Emergency hospital admissions (including both inpatient and daycase admissions),by month and specialty, count, persons all ages, Wales, 01/2019 to 02/2023
Produced by PHW, using PEDW (DHCW)

Legend: General Medicine — General Surgery — Gynaecology — Paediatrics — Trauma & Orthopaedics

System Ability to Respond

Elective hospital admissions (including both inpatient and daycase admissions), by month and specialty, count, persons all ages, Wales, 01/2019 to 02/2023
Produced by PHW, using PEDW (DHCW)

System Ability to Respond

Pathology samples indicating all cancers (excl NMSC*) by month, count, persons all ages, Wales, 01/2019 to 02/2023 (provisional)
Produced by PHW, using LIMS (PHW)

Excess mortality

All cause excess mortality* (incl. COVID-19), count, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM & MYE (ONS)

Excess mortality

All cause excess mortality* (excl. COVID-19), count, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM & MYE (ONS)

Excess mortality

Excess mortality (excl. COVID-19) by disease*, European age-standardised rate per 100,000, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM & MYE (ONS)

Excess mortality

Relative excess mortality (excl. COVID-19) by disease*, European age-standardised rate per 100,000, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM & MYE (ONS)

Excess mortality

All cause excess mortality* (incl. COVID-19) by most and least deprived fifth, European age-standardised rate per 100,000, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM, MYE (ONS) & WIMD (WG)

Excess mortality

All cause excess mortality* (excl. COVID-19) by most and least deprived fifth, European age-standardised rate per 100,000, persons all ages, Wales, 01/2020 to 03/2023
Produced by PHW, using PHM, MYE (ONS) & WIMD (WG)
