Flu clinical update for Wales

Click on the flu programme tab at the top of the screen.

click on the title of the module you wish to complete.

Please note: The Flu Clinical Update for Wales eLearning is made up of three modules:

Module 1: Core module - flu vaccination programme for 2026-27 season

Everyone needs to complete this core module. It outlines the key Welsh policy information that immunisers and those providing immunisation advice require for the 2026-27 flu season.

Once you have completed module 1 you can then complete the following modules. Only complete the modules that are appropriate for your role in immunisation:

Module 2: Adults flu vaccination module

Complete this module if your role includes advising on, and/or administering, flu vaccines to adults. It contains information specific to this age group.

Module 3: Children's flu vaccination module

Complete this module if your role includes advising on, and/or administering, flu vaccine to children. It contains information specific to this age group.
