

Talking Improvement

The Improvement Cymru Podcast

Episode: Sepsis: raising awareness

Host: Martine Price

Guest: Terence Canning

In this episode of Talking Improvement, Terence Canning, Welsh Executive Director for UK Sepsis Trust spoke to Martine Price, Lead Nurse with Improvement Cymru about the importance of raising awareness of sepsis. Terence said, 'But what we would say with sepsis is, it's so indiscriminate, it affects everybody. So we need to collect these patients' stories just to highlight the fact that, you know, it's not dependent on age or ethnicity... it can be absolutely anybody.'
