

Accessing Newborn Bloodspot Screening E-Learning packages on ESR (Electronic Staff Record)

Newborn Bloodspot Screening Wales (NBSW) has developed the following e-learning packages which can be accessed on ESR by professionals working in Wales. For students and those with a University email they can also be accessed via Learning@Wales

- Introduction to Newborn Bloodspot Screening
- Taking a Good Quality Newborn Bloodspot Screening Sample

1. To access the e-learning packages go to: <https://my.esr.nhs.uk/>

2. Log into ESR. If you do not have a user name and password for ESR please contact your ESR support team.

NHS Electronic Staff Record

COVID-19 | ESR Resources for Organisations and Users

Log in with your credentials

Fields with an asterisk (*) are required fields

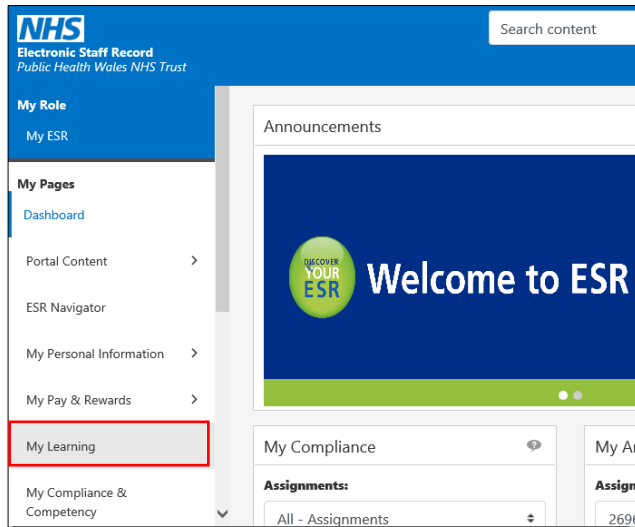

Username*

(Example: 999JSMITH01)

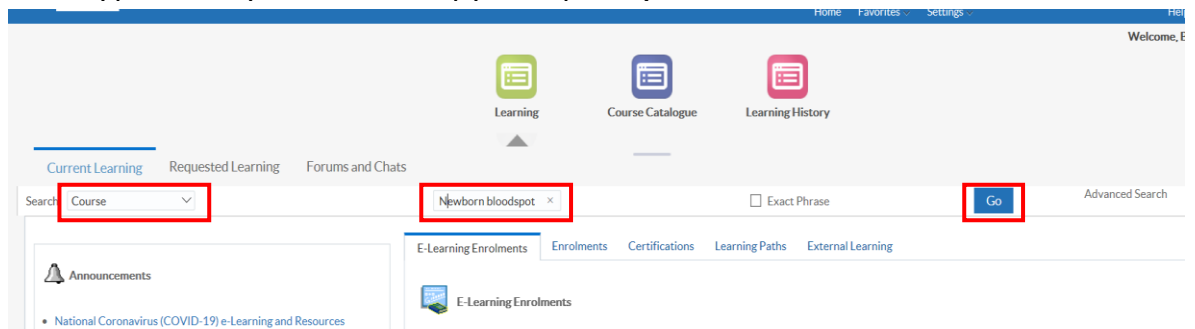

Password*

[Forgotten](#) | [Request Username/Password](#) | [Unlock Account](#)

3. Select My Learning from the menu on the left hand side

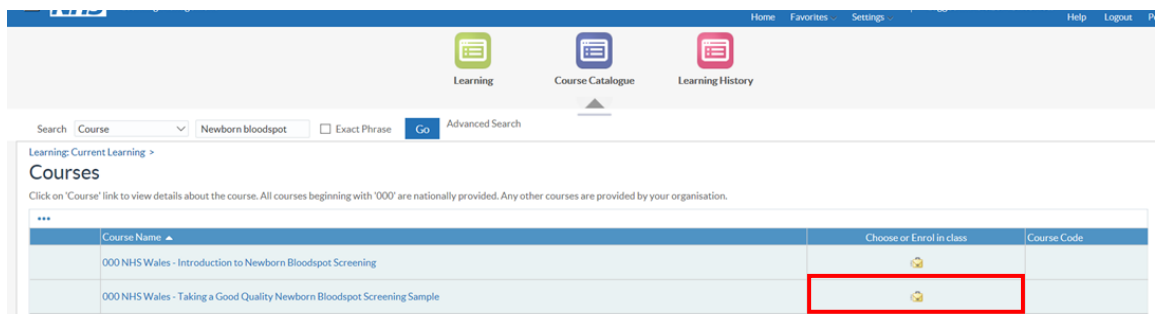

4. Follow this pathway to access individual NBSW e-learning courses. Ensure search field is set to course here and enter the name of the e-learning course you wish to complete, Newborn bloodspot (this has to be typed in – you cannot copy and paste)

5. Select Go to commence search

6. The course will then be listed- now click enrol

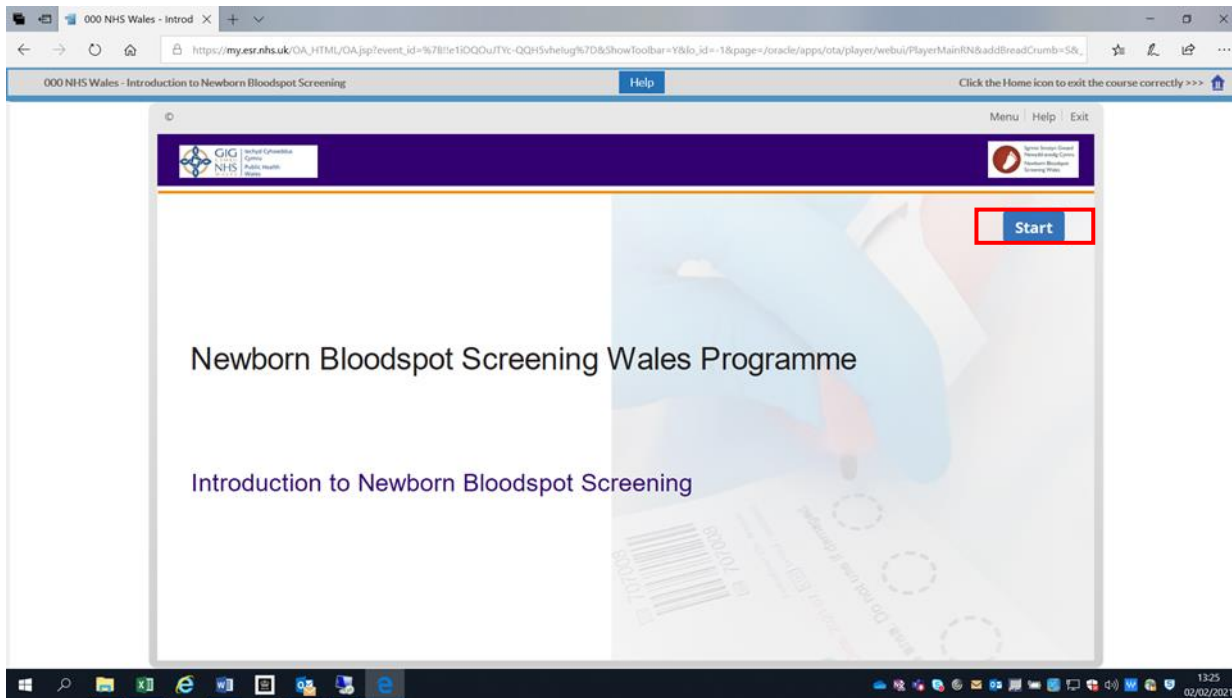

7. Then click Apply

8. The e-learning package will then be listed in your e-learning enrolments. Click play to launch course.

Course Name ^	Status ^	Item in	Enrolment Status ^	Completion Date ^	Score ^	Move to History	Unenrol	Evaluate	Play
