

NBHSW Medical Carepathway-Investigation for Cytomegalovirus Infection*

NBHSW Medical Carepathway-Investigation for Cytomegalovirus Infection*

*This pathway is for the investigation of cCMV infection in immunocompetent children.

** Written permission from parents is required to authorise release of Dried Blood Spot Card for CMV PCR. Enquiries should be directed to the appropriate Regional Newborn Screening Laboratory.

This pathway has been developed with Consultant Virologists Dr Nicky Price and Dr Rachel Jones, Public Health Wales and Dr Jennifer Evans Consultant Paediatrician Cardiff and Vale University Health Board .

Acknowledgement: Dr Simone Walter: Flowchart for investigating CMV as a cause of sensorineural hearing impairment.
