

COVID-19 Clinical (vaccinator) Script Autumn/Winter 2024

The following questions will help determine if there is any reason why the COVID-19 vaccine cannot be given. If the answer is "yes" to any question, it does not necessarily mean the vaccine cannot be given. It just means additional questions may need to be asked. This list is not exhaustive.

1. Are you feeling well today?
2. Do you have any symptoms of COVID-19?
3. If you have prolonged COVID-19 symptoms:
 - Are you being investigated by a healthcare professional?
 - Is your condition getting worse? (further information on prolonged COVID-19 Chapter 14a Green Book).
4. Please could I ask your age? (Check age-appropriate vaccine and check consent for < 16 years.)
5. Do you have any allergies?
6. Did you have any allergic reaction following a COVID-19 vaccine previously? (Note: checking for allergies to COVID-19 vaccines or any excipients.)
7. Have you ever had an anaphylactic reaction that is unexplained, or anaphylaxis to multiple different drug classes with the trigger unidentified?
8. Have you had a COVID-19 vaccine previously? (If yes check interval as per Green Book guidance.)
9. Do you have a condition or receive treatment that affects your immune system? Was your immune system severely weakened at the time you had any previous COVID-19 vaccines? (If yes, please refer to Green Book guidance, advice from a specialist may be required.)
10. Are you pregnant? (Note: reassure that COVID-19 vaccine safe in pregnancy and whilst breastfeeding.)
11. Do you have a bleeding disorder or are you taking any blood thinners? (Note: If individual has immune thrombocytopenic purpura (ITP) follow up bloods to check platelets 2-5 days post immunisation are advised.)
12. Have you had myocarditis or pericarditis after a dose of COVID-19 vaccine? (If yes, advice from a specialist should be sought.)
13. Have you ever had capillary leak syndrome? (If yes, advice from a specialist should be sought.)
14. Have you had Guillain-Barre Syndrome after a dose of COVID-19 vaccine? (If yes check which COVID-19 vaccine is required as per Green Book guidance.)
15. Have you had erythema multiforme after a previous COVID-19 vaccine? (If yes, please refer to Green Book guidance.)

The information contained within this resource is up to date as of 01/10/2024. All immunisers delivering the COVID-19 vaccination programme, including those providing immunisation advice, should familiarise themselves with the most up to date clinical evidence and guidance, this can be found in the: Green Book Chapter 14a COVID-19 and relevant PGD.

The use of this clinical script does not replace the need for a clinical assessment by an appropriately trained and competent immuniser.

Sgript Clinigol COVID-19 (brechwr) Hydref/Gaeaf 2024

Bydd y cwestiynau canlynol yn helpu i benderfynu a oes rheswm pam na ellir rhoi'r brechlyn COVID-19. Os yw'r ateb i unrhyw gwestiwn yn un cadarnhaol, nid yw o reidrwydd yn golygu na ellir rhoi'r brechlyn. Mae'n golygu efallai y bydd angen gofyn cwestiynau ychwanegol. Nid yw'r rhestr hon yn hollgynhwysfawr.

1. Ydych chi'n teimlo'n iach heddiw?
2. Oes gennych chi unrhyw symptomau COVID-19?
3. Os oes gennych chi symptomau COVID-19 hir:
 - Ydych chi o dan ofal gweithiwr gofal iechyd proffesiynol?
 - Ydy'ch cyflwr yn gwaethygu? (ceir gwybodaeth bellach am COVID-19 hir ym Mhennod 14a y Llyfr Gwyrdd).
4. Beth yw eich oedran? (Gwiriwch bod y brechlyn yn briodol i'r oedran a gwiriwch bod cydsyniad ar gyfer unigolyn < 16 mlwydd oed)
5. Oes gennych chi unrhyw alergeddau?
6. A gawsoch chi unrhyw adwaith alergaidd yn dilyn cael brechlyn COVID-19 yn flaenorol? (Sylwer: gwirio am alergeddau i frechlynnau COVID-19 neu unrhyw sylweddau.)
7. A ydych erioed wedi cael adwaith anaffylactig heb esboniad, neu anaffylactis i nifer o ddosbarthiadau cyffuriau gwahanol a bod y sbardun heb ei nodi?
8. Ydych chi wedi cael brechlyn COVID-19 o'r blaen? (Os "ydw" yw'r ateb, gwiriwch y bwlch rhwng y dosau yn unol â chyfarwyddyd y Llyfr Gwyrdd.)
9. Oes gennych chi gyflwr sy'n effeithio ar eich system imiwnedd neu ydych chi'n cael triniaeth ar ei gyfer? A wanhawyd eich system imiwnedd yn ddifrifol ar yr adeg y cawsoch unrhyw frechlynnau COVID-19 blaenorol? (Os "do" yw'r ateb, cyfeiriwch at ganllawiau'r Llyfr Gwyrdd. Mae'n bosibl y bydd angen cyngor arnoch gan arbenigwr.)
10. Ydych chi'n feichiog? (Sylwer: tawelwch meddwl yr unigolyn drwy esbonio bod y brechlyn COVID-19 yn ddiogel yn ystod beichiogrwydd ac wrth fwydo ar y fron.)
11. Oes gennych anhwylder gwaedu neu a ydych yn cymryd unrhyw deneuwyr gwaed? Noder: Os oes gan unigolyn purpura thrombocytopenig imiwn (ITP), cynghorir tynnu gwaed 2-5 diwrnod ar ôl cael y brechlyn i wirio'r platennau.
12. Ydych chi wedi cael myocarditis neu pericarditis ar ôl dos o frechlyn COVID-19? (Os ydych, dylid ceisio cyngor gan arbenigwr.)
13. Ydych chi erioed wedi cael syndrom capilari yn gollwng? (Os oes, dylid ceisio cyngor gan arbenigwr.)
14. Ydych chi wedi cael Syndrom Guillain-Barre ar ôl dos o frechlyn COVID-19? (Os ydych, gwiriwch pa frechlyn COVID-19 sydd ei angen yn unol â chanllawiau'r Llyfr Gwyrdd.)
15. Ydych chi wedi cael erythema multiforme ar ôl brechlyn COVID-19 blaenorol? (Os ydych, cyfeiriwch at ganllawiau'r Llyfr Gwyrdd.)

Mae'r wybodaeth yn yr adnodd hwn yn gyfredol o 01/10/2024. Dylai'r holl imiwneddwr sy'n cyflwyno rhaglen frechu COVID-19, gan gynnwys y rhai sy'n darparu cyngor ar imiwneddio, ymgyswddo â'r dystiolaeth a'r canllawiau clinigol mwyaf diweddar. Gellir dod o hyd i hyn yn: Pennod 14a - COVID-19 yn y Llyfr Gwyrdd a Chyfarwyddiadau Grŵp Cleifion (PGD) perthnasol.

Nid yw defnyddio'r sgript glinigol hon yn disodli'r angen am asesiad clinigol gan imiwneddwr cymwys sydd wedi'i hyfforddi'n briodol.
