escription	_
Fo. The is about flu and flu immunisations. It is aimed at individuals administrating flu immunisations and also those providing flu immunisation advice across all ages. In response to Restback from service users FluTivo has been modified to best meet the reeds of users and now consists of four modules (however, module 2 is an esternal UKHSA module, which delivers the national minimum standards for immunisation training. This immunisation programme is only recommended to NEW IMMUNISERS,	
bjectives	_
To ensure we have a competent and confident workforce to deliver the flu vaccination programme for 2023/2024 in Valies.	

The FluTwo programme consists of four knowledge sessions. (however, module 2 is an external UKHSA module, which delivers the national minimum standards for immunisation training. This immunisation programme is only recommended for NEW IMMUNISERS).
